Under the Weather? Let Us Know!

Dear Parents and Carers,

We know that children do not always feel 100% every morning. A runny nose, mild cough, slight headache, or feeling a little tired doesn't necessarily mean they need to miss a day of school. Mild symptoms don't always mean a day off!

To help give you peace of mind, we have introduced our 'Under the Weather' form.

How It Works:

- Simply let us know how your child is feeling by completing our 'Under the Weather' form before 930am (you can scan the QR code on our poster or follow the link provided on our school website).
- Our staff will keep a close eye on your child throughout the day.
- If we have any concerns, we will get in touch with you right away.

By filling out the form, your child can stay in the Academy without missing out on vital learning or socializing with their friends, while you rest assured knowing they are being looked after.

If you are unsure whether your child is well enough to attend school, please refer to the official NHS guidance: https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/.

Thank you for your continued support and partnership.

Yours sincerely

Mrs F Parish
Principal
