

School Sport & PE Provision
Financial year 2015/2016

At Sheep Dip Lane Primary School we have split up the sports premium funding into three key areas. These are Physical Education, Healthy Active Lifestyles and Competitive sport. We have decided to spend the Sports Premium funding in the following ways:

Total allocated Sports premium funding = £8,350

Physical Education			
Raising standards for all our children in Physical Education			
Aim/Objective	How is it going to be achieved?	Intended outcomes	Costings
To up skill the teaching of P.E for newly qualified staff.	P.E consultant will be used to support NQT's in school delivered for 3 sessions within the year including observations and team teach. NQT's will be sent on CPD courses to up skill their knowledge and confidence in P.E.	<ul style="list-style-type: none"> - Increase teachers subject knowledge and confidence to improve the quality of teaching. - Teachers to evaluate impact of team teach sessions on own development 	£125 per session 3 x sessions - 1 per term.
To provide staff with professional training to raise competence and confidence in teaching Dance and gymnastics.	Staff will all attend a dance and gymnastics training course as part of CPD. Dance will be in key stage specific led by dance specialists. Gymnastics will be whole school led by P.E Co-ordinator who will have attended outside training.	- Increase teachers subject knowledge and confidence to improve the quality of teaching within P.E in gymnastics (Summer 2016) and Dance (Spring 2016)	£500 - For dance Gymnastics - see cost further down for new scheme of work.

To create links between physical education and other subjects	Purchase Maths of the day programme. This comes with planned activities for physical education which has links to basic maths skills.	<ul style="list-style-type: none"> - Increase children's physical activity each week which means children will receive more than 2 hours a week some weeks. - Engage children even more in P.E 	£300 (Overall total = £600 but split between P.E budget, and maths budget)
To up skill teachers in teaching of dance and make dance lessons more engaging for ALL children	To use creative dance to provide dance lessons for year group for a half term. (This is an area all staff feel unskilled in)	<ul style="list-style-type: none"> - Give staff more confidence in teaching Dance. - Making teaching of Dance more engaging for all children. - Links to CPD for staff, as staff will have observed several sessions of quality dance lessons before attending CPD training. 	£1540

Evaluation of Impact:

- ✓ NQT's and new staff have had detailed meetings with subject leaders to discuss planning, which has enabled them to fully understand the different schemes of work. They have then been observed by the P.E co-ordinators which has enabled them to improve quality of teaching. These staff now have clear areas for development to move their practise forward.
- ✓ Staff have had CPD sessions for Dance led by an outside agency. This was deemed as staff's least confident area within P.E previously. Staff now feel more confident having observed dance sessions taught by a dance specialist, that was followed by the CPD session so staff could make links between. Staff have communicated that they now feel more confident in supporting dance sessions next year as they are more skilled and have a better understanding of progression of routines. The fact staff are now more knowledgeable and engaged has meant that all children including reluctant boys are now excited for weekly dance sessions.
- ✓ Maths of the day programme was purchased and has been a huge success in school. Children enjoy the cross curricular learning and reluctant maths learners are now becoming more fully engaged. Children now get receive more than two hours a week P.E when taking part in the scheme.

Healthy Active Lifestyles

Ensuring all our children has access to regular exercise.

Aim/Objective	How is it going to be achieved?	Intended outcomes	Costings
Engaging the least active pupils across school in family physical activities and healthy lifestyle workshops.	30 mins wake up shake up - breakfast club 30 mins healthy living workshop - Lunch time activity 1 hour family fit club - After school - working together as a family	Breakfast and after school club will be open to any children who want to attend however some less active children will get personalised invites. Lunch time healthy living workshop will be for selected targeted children who are identified as less active/healthy. These will increase their knowledge of health and fitness including the benefits of leading an active healthy lifestyle during the year. They will also participate in a range of aerobic and anaerobic exercises individually and as part of a team that will help to increase their personal fitness levels After school club will enable families to engage with the activities on site as well as at home.	£1200
Engaging KS1 pupils in sporting activities during school lunchtimes fundamental skills (ABC)	Playground Leaders Playground leaders will help to provide KS1 pupils with active activities during 2 lunchtimes a week (Focus upon the key fundamental skills ABC).	To increase the actively levels of pupils on the KS1 playground during 2 lunchtimes per week. To focus upon activities that are designed to help children become active and practice/develop the key	Playground leaders' training was part of last year's sports premium. Two members of staff also trained so can train new playground leaders.

Engaging KS2 pupils in sporting activities during school lunchtimes.	Working with KS2 pupils during the lunchtime, organising structured sporting activities. (Football, basketball, running club, rounders)	To help encourage Y3-6 pupils to play sporting activities in competitive situations but showing a respect for the referee and developing good sportsmanship qualities. To increase activity levels of children.	N/A - run by school staff. Small cost to keep equipment in good condition - £100
--	---	--	---

Evaluation of Impact:

- ✓ Pupils have greater access to extended P.E and sport provision provided by school. We have developed the range of clubs throughout the year to suit children's interests. This was done through pupil surveys.
- ✓ The greatest impact from clubs is the fit club, which has seen families coming once a week after school to get fit together and learn about ways to keep healthy at home. This has linked to a lunch time club whereby many children across school have come for a 30minute session to discuss healthy lifestyle and complete challenges. This has engaged children and enabled them to become more knowledgeable about how to live and maintain a healthy lifestyle.
- ✓ Lunchtimes have continued to be active with the use of playground equipment to stimulate 'play' and increase activity levels. Children are now becoming more active and lunchtimes.

Competitive School Sport

Increasing Pupils' participation in extra-curricular Sport

Aim/Objective	How is it going to be achieved?	Intended outcomes	Costings
Employing a local coach to provide the pupils with an opportunity to attend a variety of after school clubs each week.	(Dance, basketball - All year round -most popular clubs) 6-8 weeks taster sessions of other clubs - selected by children through sport survey. (some options include - cheerleading, football, rounders, acrobatics, gymnastics, martial arts, tennis, multi skills, athletics, rugby)	Children to develop more confidence in a wider range of sports. The opportunity for most children to be involved in a sporting after school club of interest. Increased physical participation. More skill set to enter a wider range of competitions.	£25 a session.
Purchasing new resources to provide pupils with an opportunity to participate in new after school	Find sponsorship for new t-shirts/kit when representing the school in competitions.	To purchase new t-shirts and shorts with the school name on them for pupils to wear at local festival and competitions when representing the school, so the	Cost to be confirmed.

clubs and to attend local competitions.		children look smart and part of a team.	
To fund transport to allow children to participate in more competitions.	Source a cheap provider for transport to and from competitions.	Children will have the opportunity to participate in a wider range of competitions at different venues throughout the year.	£500
To organise more intra school competitions.	P.E Co-ordinator to organise intra school competitions once per term. These to be done in mixed aged house teams in a range of sports including multi-skills, basketball, dodgeball and athletics.	Children to work collaboratively in mixed aged groups. Children to have a greater love for a range of sports.	N/A

Evaluation of Impact:

- ✓ All pupils have being able to access intra-school competitions and this has increased children's enthusiasm with sport.
- ✓ Through our new sports provider we have accessed many different competitions including tag rugby, cross country running, football, athletics, and cricket. This enabled children to access many more different sports and create more enjoyment. Accessing these competitions has been helped through creating a link with a mini bus company to ensure access to them when needed.
- ✓ Children have felt more part of a team due to a new kit being bought, and are really proud when now representing school.
