Dear Parents and Carers

### School Uniform

Our school uniform is supplied by 'School Trends' and parents can order their uniform direct with the company and this will be delivered direct to school with your child's name and class, this system allows parents/carers to pay by debit/credit cards and also means that school no longer holds items of uniform in stock.

Overleaf you will find instructions of how to use the online ordering system and this is now live for you to order your child's uniform. All orders raised on the system are checked by school. Orders are placed once per month with the cut of date of 20<sup>th</sup> of each month.

Orders are then usually delivered within 14 days of the cut off date.

We understand that not all families have access to the internet and would still prefer to order through the school and this method is still accepted.

Order forms are available from the school office, alternatively please complete the order form which is attached and fetch to the school office with the correct money. Please note that uniform must be paid in full before it is ordered.

School has purchased a range of the items which will be available if you wish to view or check sizes.

**Please order sizes carefully as items that are printed to order with the embroidered logo are unable to be returned.**

If you have any queries regarding the new website, please see Mrs Warrender or the office staff who can help you.

Thank you.
