Foundation Stage Sponsored Event

Next week, we are taking part in a fun and exciting sponsored event for World Nursery Rhyme Week from 13th-17th November.

Nursery rhymes are very important! Did you know that 'children who can recite eight nursery rhymes by the time they are four are usually more confident readers by the time they are eight?' So as well as being lots of fun, singing Nursery Rhymes really helps your child's development!

During World Nursery Rhyme Week most schools learn a rhyme a day...but of course at Sheep Dip we want to do better than that by giving our children a challenge!

Our children are going to learn **ten rhymes** by the end of the week! We will send home a booklet with the rhymes in too so that you can all practice together at home.

At the end of the week we would like children to perform a 'Nursery Rhyme Production' to their friends in Foundation Stage Two. The children will perform the nursery rhymes they have learnt and will also receive a special certificate of participation.

Please find a sponsor form attached, please note this is only optional and all children will take part in the fun activities during the week. We would appreciate it if any money is raised that it could be sent to school by Friday 17th November.

All money raised through sponsorship will go towards new reading books to set up a home-school library for our Nursery children.

Many thanks for your continued support,

Foundation Stage Staff.
