

A great response to our new school app system – Marvellous Me

Dear Parents and Carers,

The children are really excited about our new reward and messaging app – Marvellous Me. We currently have 85% (219 out of 259) of parents/carers signed up, thank you this helps us share great learning moments and keep you updated on school events.

OUR LEARNING NEWS THIS WEEK:

This week in KS1 and 2 the children have been showing their teachers what they can now do after working hard all this term in school. They have tried their best and you should all be proud on their end of term assessments. We do this to see what they have remembered and also to plan out each child's next steps and targets. Well done everyone!

A huge thank you to all our families and staff who set up, ran and attended our Annual Autumn Fayre Event. We are so grateful to those who supported this school event and helped us raise £1686.00. All fund raising is split across classes and used to subsidise all our workshops and visits throughout the year for the children to enjoy and learn within their topic focus. Thank you again everyone!

Attendance of the week is – Class 6
A fantastic 100% - well done, keep it up!

Snacks in school: Staff have expressed concerns that our children in KS2 are bringing crisps, chocolate and sweets for morning break times, the packets then are also causing litter around school which is not nice for our children to play around. Please make sure if your child likes to bring a morning snack that this is a healthy one – e.g a cereal bar or piece of fruit. The effects of sugary snacks can over time not only effect your child's teeth and health but also effects their concentration and learning. Thank you for your support.

Dates for your diary:

Please see over page for Christmas Activities

We try to give parents/carers plenty of notice of dates – however these may be subject to change, thank you.
