

Dear Parents and Carers,

Flu Vaccination – you may remember we had the school nursing vaccination team in school in October, the majority of our Reception to Year 5 children took part in this programme, however the vaccination team are having a final catch up day for the children of Doncaster, if your child did not have the vaccination and you now wish them to, there is a drop in session at Lakeside Shopping Centre on Saturday 23rd February 2019 from 09:30 to 4:00.

Safer Internet Day was on Tuesday 5th February, follow this link to some great resources to stay safe online -

We take children's online safety very seriously, staying safe online is embedded within all our IT sessions with children, the link below is to our school e-safety page with links to various organisations to report any concerns you may have when your child is online – always supervise children online and encourage them to talk to you if they do have a worry.

Our Year 5 children have had their final swim session at Thorne Leisure Centre this week, they have had a fantastic time, learning some valuable life lessons on water safety (and some have even learnt to swim!), thank you to all staff at the Centre and in school who have supported this area of the curriculum.

Don't forget to claim your free swimming sessions until the end of the year for Year 5 children, see the message on MarvellousMe sent last week or follow the link below to register:
