Dear Parents & Carers

## WELL DONE THANK YOU & GOOD LUCK

Our Year 6 children have been working incredibly hard this year in preparation for their SAT's tests next week, with their weekly booster sessions last term and this term – well done, all of you!

I'd like to thank all parents and carers for their support and encouragement at this crucial time in their child's education, by allowing them to stay for their extra tuition and ensuring homework tasks are completed and handed in.

Staff across the whole school have proved invaluable once again by giving their own time after school to ensure every child receives small group or 1:1 tuition as required, this was much appreciated and I thank them all for their dedication and commitment.

To ensure that our children 'Get that Grade' please find below our top tips:

### Top Tips:

- ✓ Make sure your child has a good night's sleep.
- ✓ Your child needs a healthy breakfast each day to help kick start their brain. Did you know that eating junk food slows your brain down!!!

Our Year 6 children need to also bring a healthy snack for their morning break – Cook and our team will make sure they have a snack break to help them through the sessions as well.

Finally, all that's really left to say is ..... "You are all special in your own way and have amazing, super skills – Remember that and **Good Luck!**"

Yours sincerely

Mrs F Parish  
Head Teacher
