School Update

Thank you to all our families who have sent messages of support, again we apologise for any inconvenience that our closure has caused. DMBC, our site team and I worked again through the night with Yorkshire Water to ensure a full repair to a **significant collapsed drain** on Sheep Dip Lane was completed. We are all working together as quickly as possible to get electrical and gas services back up and working and a deep clean of school site so that it is ready for children to return on Monday morning. DMBC will continue over the coming weeks to work with us on our site to ensure new emergency measures are put in place to prevent this from happening again even if an external road drain fails.

School will be re-opening for all pupils on Monday 30th September at 08:45, 8:30 for Nursery, **access onto school site will be through Broadwater Drive gate entrance and Foundation Stage only** due to works on the road and pathway outside of school. We look forward to seeing all our pupils next week.

Thank you for your understanding.
Yours faithfully

Mrs F Parish
Headteacher
