'Innovative Education – Transforming Lives'

11th June 2020

Dear Parent/Carer

Letter from CEO – Phased Return - Year 6

Further to my letter dated 5th June, and following updates that we have today received from Mayor Ros Jones and the Director of Public Health, Rupert Suckling, the Directors of Exceed Learning Partnership have agreed that all Academies within our trust can begin welcoming pupils back into school on a phased return approach from Monday 15th June 2020.

Academies/Schools have worked extremely hard implementing the new changes that have been required so that pupils and staff can return as safely as possible, and we are delighted that we are now able to welcome our pupils from **Year 6, alongside critical worker children and vulnerable children** from next Monday. Information relating to return dates for Year 1, Reception and Nursery will be given at a later date.

You will receive further information from your child's academy or school detailing new procedures that have been implemented, which we would appreciate it if you would kindly discuss with your child in readiness for their return to school. If you have any questions or are anxious about your child returning to school, please contact your child's Principal or Head Teacher to discuss further.

Finally, I would like to thank you once again for your continued support. All our staff have really valued the positive interaction they have had with pupils and parents. This unprecedented time continues to be challenging however we are so looking forward to welcoming some of our pupils back.

Yours sincerely

Beryce Nixon
CEO

John Blount
Chair of Directors
