10<sup>th</sup> July 2020 *‘Innovative Education – Transforming Lives’*

Dear Parent/carer

The local authority would like to get your views about your experiences of education in Doncaster during Covid 19 and have asked us to make you aware of the following:

**Words from the local authority**

We are delighted to tell you about an initiative that Doncaster Council is undertaking globally, to make sure that we learn from what has happened during the COVID-19 pandemic so that we listen carefully to the views of parents and carers as we develop our education strategy going forward. We also wish to make sure that, as we aim to integrate new skills and methods into our teaching, these align with the attitudes and aspirations of our parents/carers and students. We have therefore collaborated with the Center for Universal Education at the Brookings Institution <https://www.brookings.edu/about-the-center-for-universal-education/> to learn about parents’ beliefs about their children’s education, globally.

The first stage of this is a global survey, which we would like to be completed by as many parents/carers as possible. Please follow this link to complete this survey by July 27<sup>th</sup>, the survey will take approximately 15 minutes to complete and consists of 34 questions:

Your study participation will help us better understand what parents/carers believe makes for a good quality education for their children.

By completing this survey, you will be entered into a lottery to win a \$100 USD Visa gift card from the Center for Universal Education.

Thank you,

The link to the survey will also be posted on Twitter and Facebook, please note that survey’s need to be completed by 27<sup>th</sup> July.

Yours sincerely
