Possible Changes After Publication

The information given in this booklet has been checked and at the time of writing (July 2025) is as accurate as can be. Unavoidable changes may however occur between this date and the date of admission to school in September 2026.

You can now apply online

City of Doncaster Council is now operating an online admissions service to enable parents to apply via the internet at www.doncaster.gov.uk/admissions

You will receive your decision by email on offer day.

You can visit the Council office and access the computers or visit your local library.

Important!

If you are applying for a **voluntary aided school**, it is likely that you will need to complete and send in a separate additional information form available on our web page www.doncaster.gov.uk/admissions or from the School. Further information is found on page 12.

You can apply online or make any changes to your application until 31 October 2025.

If you have any questions when completing your form, please contact the Admissions Team by email at the following address: admissions@doncaster.gov.uk or telephone 01302 737262

Remember to submit your application before the closing date.

Important!

Co-ordinated admission arrangements are now in place in Doncaster.

Co-ordination

Briefly, you can list up to **three preferences** on your application which you must submit to your **home authority**, i.e. the area in which you live.

Each admission authority (responsible for admission to the school) decides whether a child is **eligible** for a place at the school using their admission criteria.

The home authority then offers one place in accordance with its published scheme. In Doncaster, this is at the school which is ranked highest on the Application at which the pupil is eligible for a place.

Residents of other areas should see Appendix 5 for more information.

Key Phrases

Additional Information Form

If you are applying for either a Church of England school or a Roman Catholic school, they are likely to need additional information about you and your child. See Part 3.

By completing an additional information form, this will allow the aided school to consider your eligibility for a place at their school and put you in the correct category.

Application Form

This is the application for you to apply to your home authority for a school place.

You can list **up to three** schools and these can be in any authority.

Doncaster/The Council

Any references contained within the booklet to 'Doncaster' or 'The Council' means the area covered By City of Doncaster Council.

Eligible For a Place

This means that the admission authority has considered the application and either; the number of applications is below the admission number or it is oversubscribed but the pupil is in a higher criterion when compared to other pupils. It does not necessarily mean that the pupil will be offered a place – see offer of a place.

In Year Transfers

These are applications for a school place for year 7 after September and for admission to all other years.

Living or Ordinarily Resident

References contained within the booklet to where a child is 'living' or 'ordinarily resident' means where a child is habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. It is for parents to satisfy the admission authority of their circumstances relevant to the application.

LA

LA refers to a Local Authority responsible for the administration of co-ordinated admissions and the admission of pupils to community schools.

Offer of a Place

A pupil will be offered a single place which is the highest ranked place on the Common Application Form at which they are eligible for a place.

Parents

Where the word parent appears, it extends to any person having parental responsibility for a child in accordance with the terms of the Children Act 1989 – see Part 6.

Preferred Schools (Preference)

You may list up to three Doncaster schools **which you would wish your child to attend** on your Application.

Qualifying Scheme

All Local Authorities (LAs) will have a qualifying scheme for co-ordinating the arrangements for the admission of pupils.

Rank Order

The order in which you have to list up to three schools on your application.

Contacting Schools

Further information about contacting schools and dates of open evenings can be found in Part 2.

Concerns about School

As parents, you should always try and resolve any problems or concerns about your child's education with your child's teacher or headteacher. However, if you are unable to resolve them by this means, you should refer the matter to the Chairman of the Schools Governing Body. Contact details are available from the school, which may also have their own complaints procedures.

Part 2 Information about Schools

Pyramids and Catchment Areas

In Doncaster, schools are arranged into 'pyramids' based upon a number of primary schools linked with a secondary school. The area which a school serves, is referred to as a 'catchment area'. Each address in Doncaster has a catchment area school and most parents apply for their children to attend their local school.

- A map of Doncaster can be found in Appendix 1
- A list of the pyramids and Link Schools can be found in Appendix 2.
- A list of schools can be found in Appendix 3
- Information on catchment areas is available at www.doncaster.gov.uk/admissions or from the Schools Admission Team

In Doncaster there are:

- 19 Secondary Schools

There are three types of admission authorities who set and deal with their own policies, in accordance with the guidance in the Admissions Code.

Academies and Free School

The Governing Body sets and applies the admission criteria. Alternatively, they may ask the Council to apply their set criteria on their behalf.

Voluntary Aided School

The governing bodies set and apply the admission criteria.

No school mentioned in this booklet admits children on the basis of selection by ability or aptitude. Each is a day school and admits both girls and boys. There are no arrangements for admitting children to non-maintained or private schools other than children with an Education, Health and Care Plan.

Schools outside Doncaster

To apply for schools outside of Doncaster contact the home authority. Details of our neighboring local authorities can be found in Appendix 5.

Admission Numbers

Each admission authority has to consult on and publish annually the total number of children to be admitted to the relevant age group in each school. The relevant age group is 'an age group in which pupils are or will normally be admitted to the school in question'. In the case of admission to secondary schools, this is year 7.

The admission number for each year group is set with regard to the capacity assessment for the school, taking into account the nature and type of the school buildings provides for an acceptable amount of space for each pupil. Therefore as a result, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Each school year, the council consults with the Governing Body of the school before the admission number is set.

The admission number for September 2026 for each school is given in Appendix 3.

Contacting Schools

Specific enquiries regarding each school should be made to the school concerned. You may wish to visit schools before making your final choice. Their telephone numbers and addresses are in Appendix 3.

Feedback from parents has shown that you require more detailed information about schools. This is available from the school or you may also wish to visit the school's website for information on a range of topics including uniforms, policies, session times, and National Curriculum Assessment results.

You may be invited to attend a meeting at your child's linked secondary school. However, with co-ordinated admissions, your child will only be able to attend that school if they have been allocated a place in writing by the council.

Part 3 Making an Application

Year 7 Admissions – to start in September 2026

Pupils with dates of birth 1 September 2014 to 31 August 2015.

Part 3 gives advice about the application process for pupils to transfer from Year 6 to Year 7 and who will start secondary school in September 2026. Further guidance on in year transfers to secondary schools at other times is given in Part 4.

When to Apply

You will receive a personalised letter for your child and leaflet in September 2025.

Important!

The closing date for receipt of Applications and the additional information forms is 31 October 2025.

How To Apply

Which forms do I complete?

Depending on where you live and which schools you wish to apply for will decide;

- Whose admissions process to follow;
- Which additional information form(s) to complete.

Which Application Form do I complete?

This depends upon where you live.

- **If you live in Doncaster**
Apply online to Doncaster.
List up to three schools, including any outside Doncaster.

If one or more of your schools are outside Doncaster, you are strongly advised to request the authority's Admission booklet.

- **If you live outside Doncaster**
You will need to apply on your home authority's application form.
List the schools you wish to apply for, including any in Doncaster.

Apply Online

You can now apply online at www.doncaster.gov.uk/admissions

See page 1 for more information.

You can list **up to three** schools either in Doncaster or in any other authority. To assist you in making your decision, information on applications for last year is given in Appendix 3. This is to be used as a guide and does not take into account any late applications or appeals.

Do not include Independent fee charging schools.

Is the order I put the schools in important?

YES, the order in which you put the schools may affect which place you will be offered, if you are eligible to more than one.

If you are eligible for a place at the school you have put first on the form your child will be given a place there and not any other school.

Further information is available in the following section and by reading the admission policies for the schools which you are considering.

Do I need to fill in an Additional Information Form?

If you are applying for a place in an aided school, it is likely that you will need an additional information form available on our web page www.doncaster.gov.uk/admissions or from the School. This must be returned on its own to the requested school.

By completing an additional information form, this will allow the aided school to put your child in the correct criteria and properly consider their eligibility for a place.

Which Additional Information Form do I complete?

This depends on which school you are applying for.

- **Schools in Doncaster/Hallam Diocese**

Additional information forms for Catholic schools in the Hallam Diocese and Rossington All Saints Church of England School are available on our webpage - www.doncaster.gov.uk/admissions or from the School Admissions Team.

- **Schools outside of Doncaster/Hallam Diocese**

Contact the school to ensure you obtain the correct additional information form.

Why should I make an application?

To have the best chance of getting a place at your preferred school. If you are late, a place may not be available for your child.

Make sure you submit your completed Application and receive an email to confirm this by the 31 October 2025

What happens if I don't apply?

Your preferred school may be filled and your child will not then be able to attend that school. The council will write to you and allocate your child a place at a school, which has places left. This will be done after all applications have been processed.

Important!

Any place offered on the basis of a fraudulent or intentionally misleading application may be withdrawn, e.g. giving a false address.

What do I do if myself or my child change address?

You must write and tell City of Doncaster Council's School Admissions Team, providing some proof i.e. a council tax or utility bill. This information will only be used to assess where you or your child are ordinarily resident and from what date. It may be necessary for you to provide further proof as required and eligibility to transport may be affected.

What do I do if my child or their sibling changes school?

You must tell City of Doncaster Council's School Admissions Team, either by telephone or in writing.

What happens to my application?

With Co-ordination, there will be two stages:

Stage 1 will be about eligibility for a place and will be decided by individual admission authorities;

Stage 2 will be the offer of a place; this will be at the highest ranked school on your application at which your child was eligible for a place. If we are unable to offer a place at any of your three preferred schools your child will be allocated a place at an alternative school.

A detailed explanation of the two stages follows on the next pages.

Stage 1 Eligibility for a Place

All admission authorities are required to have a policy which describes how places in schools are allocated. Each authority will consider your application carefully and fairly and decide whether or not you are eligible for a place according to the policies and criteria described in Appendix 4.

How are applications decided?

The procedure for deciding eligibility is in line with policies and criteria agreed by the relevant admission authorities in accordance with statutory guidance and the Department for Education's Admissions Code.

Demand for places in schools varies due to the number of applications received and because of different numbers of children in year groups.

Appendix 4 contains each authority's admission policy which they apply when there are more applications than there are places available. The school admission numbers are shown in Appendix 3.

All preferences equal

Each preference will be considered by the appropriate admission authority in accordance with their published policy and admission criteria (see Appendix 4). All admission authorities are required to ignore the order which you have listed the schools and will use its criteria to decide whether or not the pupil is eligible for a place.

For example:

Whether or not you have placed a school, first, second or third will not be taken into account. The admission criteria will be used to determine whether or not your child is eligible for a place.

Important!

The admission criteria will be used to decide whether or not your child is eligible for a place.

Although a place at a catchment area school is not guaranteed, you should consider listing this school on your application in case you are unsuccessful for a place at an alternative school.

Stage 2 The Offer of a Place

A pupil will be offered a place at a school which is ranked highest on your application at which they are eligible for a place.

With co-ordination on the offer day you will receive one of the following eight outcomes.

Preferred Order (Ranked)	Requested Schools	The outcome/s of your preference/s							
		1	2	3	4	5	6	7	8
1st	School A	E			E	E	E		
2nd	School B	E	E		E			E	
3rd	School C	E	E	E		E			

E = Your child is eligible for a place

Summary of Decisions

Response from the council posted on 2 March 2026

- 1 The pupil is eligible for places at ALL schools and will be offered a place at school **A**.
- 2 The pupil is eligible for places at schools **B and C** and will be offered a place at school **B**.
- 3 The pupil is eligible for a place at a school **C** and will be offered a place at school **C**.
- 4 The pupil is eligible for a place at schools **A and B** and will be offered a place at school **A**.
- 5 The pupil is eligible for places at schools **A and C** and will be offered a place at school **A**.
- 6 The pupil is eligible for a place at school **A** and will be offered a place at school **A**.
- 7 The pupil is eligible for a place at school **B** and will be offered a place at school **B**.
- 8 The pupil is not eligible for a place at a school and will be allocated a place at the nearest community school in Doncaster with vacancies.

Important!

With co-ordinated admission arrangements, a headteacher or their representative cannot offer a place in a school, places will be offered by the council on behalf of the relevant admission authority.

How will I know when they will start at their new school?

Your child's school will give you a start date. Your child should start at their new school within two weeks of the start date offered, otherwise the offer of a place will be withdrawn.

If you make a further application to the council and this is successful, any previous offer of a school place will automatically be withdrawn.

Do I need to accept the place offered to me?

You will be informed in writing whether or not you will need to accept the place offered.

What happens if my child is refused a place?

Your child's name may be added to a waiting list. You will also be able to appeal to an Independent Appeals Panel against any decision made in relation to your application.

You may contact the council for advice and details of schools with remaining places and apply for a place in another school by completing a new application form.

If you live outside of Doncaster, you should contact your home authority for advice.

For Doncaster residents

If a place cannot be offered at any of your choices, a place will normally be offered at your catchment area school if there are places or the next nearest school with vacancies.

You will be offered a place at another school if you live in Doncaster and:

- your application is refused and you do not have a place elsewhere.

Places are allocated on the following basis:

- If a place is still available at your catchment area school, after all those who have applied by the closing date have been processed, your child will be allocated a place there.

If not, a place will be allocated at the nearest school to your home address with places (taking into account the council's Home To School Transport policy).

- You will be expected to take up the allocation within two weeks of the start date given by the school, otherwise the offer of a place will be withdrawn.

If you make a further successful application any previous offer made will automatically be withdrawn.

If you make a further unsuccessful application, no new allocation will be made.

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address.

It is for parents to satisfy the admissions authority of their circumstances as they apply to the admissions criteria at the time of application.

The Right of Appeal

You are able to appeal to an Independent Appeal Panel against any decision made regarding your application for a school place.

There will be one of two reasons why your child will not be offered a place at the school(s) for which you expressed a preference:

Reason 1

The number of applications exceeded the admission number of the school. To admit any further pupils would prejudice the provision of efficient education or the efficient use of resources.

Reason 2

You were offered a place at a higher ranked school on your application.

Brief guide to the appeal process

- You should request an appeal form and lodge your appeal within 20 school days of the date of your decision letter (different arrangements will apply for different types of schools).
- You will receive further details regarding the appeal process, but you should retain this booklet for information.
- Appeals must be made on the appropriate form in writing.
- You will be given at least 10 school days written notice of the date, arrangements for the appeal hearing, together with a written document summarising the reasons for refusing admission. Only your written appeal and anything you may say at your appeal, will be taken into account by the Appeal Panel.
- The decision of the Appeals Panel is binding upon both parents and the admission authority.
- In some cases parents who are not successful at the appeal, occasionally consider applying again for the same school in the same academic year. Unless there has been a significant change in the circumstances of the parent(s) and/or the school, the admission authority is not required to reconsider its decision and you will not have the right to another appeal.
- Where information was known at the time of the original appeal, but parents chose not to use it, this will not be considered at a later date as additional information or a change of circumstances.

Hearing Dates

Appeals relating to applications announced on national offer day will be heard within 40 school days of the appeal deadline date.

Appeals relating to late applications will be heard within 30 school days of the appeal being lodged.

How do waiting lists work?

In Doncaster, each admission authority will decide how their year of entry waiting list will work. Waiting lists are normally established once a year group has reached its admission number. Places are strictly prioritised in criteria order and no priority can be given to the date of receipt of a form.

In the past, few places are allocated from the waiting list, particularly when there have been successful appeals.

If you make further unsuccessful applications or appeal for a school which is ranked lower than the school at which you were offered a place, your child's name will also be added to the waiting list of that school. If you accept a place at an alternative school, your child's name will not be removed from any waiting list(s) they have been placed on.

Pupils will be added to the waiting list(s) of schools if they are refused a place at schools which were ranked higher on the Application than the place offered. Waiting lists will operate until the end of the autumn term. Some schools may choose to keep their waiting lists after this date. Further details are available from the school.

When a place does become available it will be allocated to the child at the top of the list on the day that the council receive written confirmation of the vacancy.

If you change your address, write to the council, providing some proof i.e. a council tax or utility bill. Your place on the waiting list will then be reviewed.

Further additions to the list will be those who choose to appeal for a school ranked lower on their Application than the place offered.

What do I do if I change my mind before 31 October 2025?

You can contact the Admissions Team on 01302 737262 or email admissions@doncaster.gov.uk for further advice.

What do I do if I change my mind after 31 October 2025?

An application submitted after 31 October 2025 will be dealt with as a late application, after all those received by that date are considered.

No decision will be taken until after the announcement date of 2 March 2026

You are also advised to contact the Admissions Team for advice.

How do I apply for a place outside Doncaster?

If you live in Doncaster, include it in your application.

If you have included an aided school in one of your choices, remember to fill in the related additional information form(s) and send it directly to the school.

What if I live outside Doncaster?

Contact your home authority and fill in their application.

If you have included an aided school in one of your choices, remember to fill in the related additional information form.

Admission to Schools for Children of UK Service Personnel

The Local Authority acknowledges that service families are subject to frequent movement within the UK and from abroad, often at relatively short notice. Although the Local Authority is not able to reserve places for blocks of pupils of service personnel it may accept applications from parents returning to their area some months in advance and may allocate a school place where the school has a place available.

Where the preferred school is full the Authority may reconsider the application at the request of parents. The Authority will take into account the circumstances of the family and the needs of the child in determining whether to offer a place.

Part 4 In Year Transfers

This section only applies to applications for Doncaster schools for:

- Applications for a school place for Year 7 after 1 September 2026 or
- For admission to all other year groups.

Brief details are given below, and further information is available from the council or your preferred school.

Making an application

The process for in year transfers require all applications to be made to the Council who will co-ordinate the process with the relevant schools.

Apply online at www.doncaster.gov.uk/admissions

If an admission number for a school has not been reached, an admission authority cannot lawfully refuse an application for that school except in certain circumstances – either; where the school to be named in an Education, Health and Care Plan cannot meet the needs of a pupil or a child has been permanently excluded from two or more previous schools.

In addition, a child may be admitted or refused a place through the In Year Fair Access Protocol, whether a school may be full or not.

Important!

A headteacher or their representative **cannot** offer a place in a school, except in the case of Voluntary Aided Schools only then if this power has specifically been delegated to the headteacher by the school's Governing Body.

What happens if the application is refused?

You will be offered the right of appeal to an independent appeals panel.

You should contact your home authority for details of schools with places and you may apply for a place in another school by completing a new application form.

Applications for University Technical Colleges (UTCs)

UTCs are technical colleges for 13 -19-year-olds and set up by universities and businesses. They specialise in one or two technical subjects and at GCSE offer a similar curriculum to a typical 11–18 secondary school, including basics of English, Maths and Sciences as well as their specialist subject. Their aim is to ensure young people achieve excellent GCSE or A level results along with high value technical qualifications delivered via employer and university contextualised challenges, that support high level technical and employability skills.

We have a UTC in Doncaster which opened in September 2020. There are also UTCs in other Local Authorities that you may wish to consider. However, this does not mean that you are required to move your child from their existing school if this remains the best option for them.

If this is something you wish to consider for your child you should contact the UTC for details of when and how to apply. Additionally, when your child is due to move into Year 9 we have a duty to write and inform parents and carers of the UTCs that are within travelling distance. Currently the UTCs within travelling distance from Doncaster Local Authority area are given below.

Part 5 Transfer between Schools for Children with Special Educational Needs

Introduction

Many children will, at some stage in their educational career, experience barriers to or difficulty with their learning. About one fifth of all children may be expected to experience longer-term difficulties accessing some part of the academic or social curriculum. The majority of children with special educational needs have their needs met by their mainstream school.

For a small minority of children their needs and rate of progress evidence the importance of them having a formal assessment of their special educational needs. At the conclusion of this, a proportion of children are provided with an Education, Health and Care Plan (EHCP).

All schools in Doncaster comply with the requirements of the Code of Practice for Special Educational Needs and have a Special Educational Needs Policy that details how the school will support children with additional needs. If your child is experiencing difficulty with their education, please discuss your concerns firstly with your child's class teacher. If your concerns persist, please make an appointment to see either the headteacher or the school's Special Educational Needs Co-ordinator (SENCO).

Parents and carers are central to the development and educational progress of children. SENDIASS helps to open up positive dialogue between parents, carers, young people, schools, local authority (LA), health and voluntary bodies. The service operates independently, it is impartial and works to empower parents to feel confident to support their own child or children in decision making processes. The Service may be contacted by parents, carers and young people on 01302 736920. Further details on the service can be found on page 28.

Children without an Education, Health and Care Plan

If you are concerned about the admission to or transfer of schools for your child who has special educational needs but not an Education, Health and Care Plan you should first discuss your concerns with your child's current headteacher. You can ask to meet the SENCO of the school you are considering for your child. He or she will be able to supply you with a copy of the school's Special Educational Needs Policy and describe the types of support available within that school. Arrangements can also be made, if necessary and with your permission, for the transfer school SENCO to discuss your child's particular needs with his/her current school.

Children with an Education, Health and Care Plan

An Education, Health and Care Plan must name the school the child attends, and the procedure followed to amend the Plan to name a new school are those that are specified in the Code of Practice for SEN. We are required wherever possible, to place children in accordance with parental preference through the formal consultation process and must consult any setting specified by a parent or carer and if the school requested by parents can meet the child's needs and the request does not compromise the efficient use of resources or the efficient education of other children. In Doncaster, a wide range of educational provision is available for children with identified barriers to learning. The requirements of the Code of Practice for Special Educational Needs are implemented and these ensure that children with an EHCP are not disadvantaged in their choice of school at any age.

The Statutory Review of your child's EHCP, held in the year prior to their admission to school (during nursery), or during National Curriculum Year 2 (aged 6–7 years) for those children who attend infant schools, or during Year 6 (aged 10–11 years) is expected to consider your child's future school placement. This will provide you with sufficient time for you to make any necessary enquiries before you have to make a decision on which school/s to request. The statutory deadline for naming a school in section I in the above scenario is the 15th of February of the year in which this transition takes place.

If your child has an EHCP you should discuss the admission process with the child's current educational setting and through the statutory annual review process in the Autumn term.

Transport to and from school

City of Doncaster Council, in conjunction with the other South Yorkshire Authorities and South Yorkshire Mayoral Combined Authority (SYMCA) have created a Youth Charter which promotes positive behaviour when travelling on public transport to school and outlines everyone's role and responsibilities when using these services. Further details can be found at www.travelsouthyorkshire.com/en-gb/journeyplanning/youth-charter

Additionally, further information about the availability and entitlement to home to school transport is available in the Council's home to school transport policy which can be found www.doncaster.gov.uk/services/schools/education-transport

A copy of the council's home to school travel assistance policy, is also available from the Travel Assistance Service, telephone 01302 737074.

Free transport

Pupils will be entitled to free travel assistance to and from school if their school is:

- their nearest or catchment area school, or
- the school at which the council allocated a place as a result of an unsuccessful parental preference for another school (unless following the allocation, you change your address) and provided they are:
- under the age of 8 and live more than two miles from the nearest/catchment school, measured by the nearest available walking route, or
- over the age of 8 and live more than three miles from the nearest/catchment school, measured by the nearest available walking route.

Families on low income

In addition to the above the following new categories of entitlement to free transport have been introduced for families on low income: (i.e. pupils in receipt of Free School Meals or Families on Maximum Working Tax credits or Universal Credit):

Primary pupils aged 8–11

- attending the nearest school and the distance is over two miles from home.

Secondary pupils aged 11–16

- attending any of the three nearest schools between two and six miles from the pupil's
- attending the nearest school preferred by reason of the parents religion or belief, and the distance is over two miles and up to 15 miles from the pupils home.

Public transport is used wherever possible, and zero rated bus passes will be issued to pupils entitled to free transport.

It is parents' responsibility to accompany their child to and from the bus stop and during the journey if they feel it is necessary.

Pupils not eligible for free transport

Pupils not entitled to free transport can travel at the concessionary rate, as long as they have a Zoom Under 16 Travel Pass issued by the SYMCA. Other concessionary fare pass are also available for older pupils and students. Further details can be obtained at www.travelsouthyorkshire.com/en-gb/ticketsandpasses

The Councils is not able to guarantee travel arrangements to any school as these arrangements are in the hands of the bus operators and/or SYMCA

When stating a preference for a particular school parents/carers should be aware that, unless they are eligible for assistance as mentioned above, they will not be able to receive any assistance with the cost of transport to school. Additionally, when choosing a particular school, they should also consider the impact that any future service alterations may have on pupil's ability to travel to that school.

Special Educational Needs transport

For pupils who have an Education Health and Care Plan and are eligible for assistance we have a range of Travel Assistance options available. Parent will need to request a Travel Assistance Application Form from either their SEND Officer or the Travel Assistance Service so that their request can be considered.

The travel assistance arranged will be the most appropriate taking into account the child's age, safety and needs as identified by the statement.

It will normally be either the provision of a zero rated bus pass, independent travel training, mileage allowance/personal budget, coach, minibus, taxi or specialist vehicle. Full details are held within the Travel Assistance Policy which can be found at:

www.doncaster.gov.uk/services/schools/education-transport

For pupils traveling in a coach, taxi or minibus, all pupils will be picked up, and dropped off, at the most convenient point nearest to their home address having due regard to their needs and safety. Pupils will only be picked up or dropped off from outside their home address if their needs require it. The bus pass will operate from the bus stop nearest to the pupil's home.

Further information

If you require any further information about transport please contact City of Doncaster Council's Travel

Assistance Service, at transport@doncaster.gov.uk or telephone 01302 737074

Charges for school activities

Where education is provided wholly or mainly during school hours it should be free.

This applies to all events and activities. It is therefore not possible to levy a compulsory charge for transport or admission costs for swimming lessons or for visits to museums etc.

However, schools may ask parents for a voluntary contribution towards:

- School equipment
- Activities which take place during school hours
- School funds generally

The contribution must be genuinely voluntary and the children of parents who are unable or unwilling to contribute may not be discriminated against. However, parents should be aware that where there are not enough voluntary contributions to make the activity possible, and there is no way to make up the shortfall, then it must be cancelled. The following are the exceptions:

1 Residential Trips

Schools are able to charge parents for board and lodging costs for residential trips. The exceptions are parents who receive:

- Free school meals
- Income Support
- Income-based Jobseeker's Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit providing the parent is not entitled to Working Tax Credit and whose annual income does not exceed the limit stated by the Inland Revenue.
- Guaranteed element of State Pension Credit

These parents must have board and lodging costs refunded if the trip takes place mainly during schools hours. They must also have fees remitted to them if the trip is outside schools hours, but is either part of the National Curriculum, part of the syllabus towards a prescribed examination (e.g. GCSEs) or part of the syllabus for religious education.

2 Instrumental Music Lessons

The other exception is for instrumental music tuition where a charge may be made for up to and including four pupils, unless the tuition forms part of the syllabus for a prescribed public examination (e.g. GCSEs) or is required by the National Curriculum, when a charge is allowed.

Children In Employment and Entertainment

Young people between the ages of 13 and 16 years are permitted to have part-time employment, in accordance with legislation and City of Doncaster Council's Bye-laws. These regulate the conditions and arrangements under which children can be employed including the requirement that every child must have a work permit. The employer is required to complete the online application form and the parent has to complete a medical declaration form about the pupil's health. A work permit allows a young person to do a specified job and she/he must have been issued with one in order to be lawfully employed.

In order for a child or young person to be involved in any kind of public performance or in entertainment a licence must have been issued beforehand by the council. A licence application form has to be completed along with a medical declaration form.

Further information about this and application forms are available on City of Doncaster Council's webpage: <http://www.doncaster.gov.uk/services/schools/attendance-and-pupil-welfare-service>

Educational Psychology Service

City of Doncaster Council's Educational Psychology Service exists to support the psychological and educational development of all children and young people in Doncaster who encounter barriers to effective learning. Through the application of psychology and child development principles it provides a service to children, young people and their families, as well as to schools.

The balance of work carried out by Educational Psychologists is increasingly shifting more towards working with the key adults closely involved in children's lives – parents/carers and staff in schools, with perhaps less direct involvement with children and young people for routine, one-off assessment work. However there will always be times when individual work with children and young people is appropriate in delivering support for prevention and early intervention work.

Educational Psychologists work across the full age range 0 – 19 years although the majority of their time is focused on the years of statutory education in years 5 – 16.

Access to the Educational Psychology Service

The majority of time available is spent on school-related work including providing psychological advice, attending school reviews and planning meetings with staff and parents, where appropriate.

Where there are educational concerns about children and young people's learning, development or behaviour, the first port of call for families will always be to discuss these with school staff, including the SENCO. Schools are best placed to determine if and when additional professional advice is needed, including contact with their named Educational Psychologist.

There is a range of publications on learning and behaviour produced by City of Doncaster Council's Educational Psychology Service for which a nominal charge is made to cover printing costs. Further details are available from the Educational Psychology Service at the Civic Office, telephone 01302 737291 or email educationpsychology@doncaster.gov.uk

Education other than at School

The way in which the Council currently provides education other than at school is as follows:

Pupil Referral Units (PRUs)

Pupil Referral Units provide education and support for complex pupils who are at risk of exclusion or who have been permanently excluded display high level behaviour beyond the remit of mainstream school.

All permanently excluded pupils will receive a 6th day offer of education, facilitated and monitored by the LA. This will be managed in bespoke alternative provision. Each pupil will be assigned a Parental Advocate who will present their case at IFAP where a new mainstream school will be allocated.

The Levett School, Upper Site (Year 7 to 9)

Maple Medical – Incorporates the Young Parents Centre, the Joint Association Support Programme, Hospital Teaching and the Link Centre.

Northbridge Enterprise College (Years 10 & 11)

Inclusion Panel - Pupils can be referred to panel to access high quality, bespoke provision to include therapeutic intervention. The provision is quality assured and managed on a clear framework, it is time-bound, LA monitored and reviewed and requires the full commitment and involvement of the referring school.

Attendance and Pupil Welfare Service (APWS)

City of Doncaster Council has a statutory responsibility of ensuring every child receives a suitable education appropriate to their age, ability and aptitude, by either attendance at school or otherwise. This includes supporting schools to ensure children have a good attendance. The City of Doncaster Council's Attendance and Pupil Welfare Officers work closely with your child's school to provide advice, guidance and support to ensure your child attends school regularly.

Information can be found www.doncaster.gov.uk/services/schools/attendance-and-pupil-welfare-service

You can contact the APWS by email: APWS@doncaster.gov.uk or by telephoning the duty line 01302 736504.

Attendance

Children need to attend school regularly if they are to take full advantage of the educational opportunities available to them. Absences hinder a pupil's progress and leads to poor educational outcomes.

Parents and carers of children of compulsory school age (5–16) are required by law to ensure that their children receive a suitable full-time education, however, parental responsibility extends beyond securing regular school attendance. You should ensure that your child arrives at school punctually and ready to learn. We expect schools to work in partnership with you to ensure your child attends regularly, engages in learning and follows the schools codes of conduct.

Importance of Regular Attendance at school

Attendance is monitored regularly by your child's school; they will contact you if there are concerns and may refer to us for further interventions if your child's attendance is not good or has not improved over a period of time. We can issue a fixed penalty notice or take court action under Section 444(1) of the Education Act 1996.

Absence from school can only be approved by the Headteacher who can refuse to authorise an absence if they do not believe the circumstances justify the absence.

Information on the government guidance can be found www.gov.uk/school-attendance-absence and www.gov.uk/government/publications/working-together-to-improve-school-attendance

Leave of Absence (Holiday)

All Schools can grant a leave of absence for other exceptional circumstances at their discretion. In case of schools maintained by local authorities and special schools not maintained by local authorities, it must be requested in advance by a parent who the pupil normally lives with. Schools are then expected to consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request. If a leave of absence is granted, it is for the school to determine the length of the time the pupil can be away from school.

Where the headteacher does not authorise your request, the absence will be marked as an unauthorised holiday and the school will ask us to issue with an Education Penalty Notice. If you have enquiries regarding attendance, you should contact your child's school in the first instance so they can work with you to support your child to attend and engage fully in learning.

Examination Entries

In Doncaster, entries for examinations are determined by schools. Details about a school's policy on examination entries can be found in the school prospectus, a copy of which can be obtained from the school.

Parent Partnership Service

All local authorities are legally required to provide impartial information and support to parents and carers, children/young people regarding special educational needs and disabilities (SEND). In Doncaster, the SENDIASS SAIDSEND service (known as SAIDSEND) is a free, confidential and impartial service for parents and carers, children and young people (up to 25 years). The service can:

- Listen to your concerns regarding SEN matters.
- Give advice and support in relation to SEN Support Plans and Education Health Care plans (EHCP) and process, which may include attending meetings and future reviews.
- Explain the law and your rights.
- Help you understand educational support in schools, colleges and other educational settings.
- Give advice and support to promote the active involvement of parents, carers, children and young people in all decisions about outcomes in mainstream or special school and in educational settings.
- Help open up positive dialogue when disagreements happen between parents, carers, young people, schools, local authority (LA), health and voluntary bodies.
- Signpost families to relevant support groups and services.
- Support parents and young people to access the independent SEN Mediation Service and advise on the procedure for appeals to the SEN and Disability Tribunal.
- Advise and help to promote independence and empower parents, self-advocacy for children, young people.
- Provide specialist individual support to parents, carers, children and young people who are involved in an Education, Health and Care (EHC) Assessment.

The Service may be contacted on 01302 736920 and you can find further information at www.doncaster.gov.uk/services/schools/sendias

This is a self-referral service only which can be accessed by parent, carer's and children/young people.

Responsibilities of Parents

Children Act 1989 and the Adoption and Children's Act 2002

The Children Act 1989 and the Adoption and Children's Act 2002 replaced the many different laws on parental rights and duties with a single concept of 'Parental Responsibility'. It introduced changes about who has parental responsibility, how it can be gained and lost, and the way it can be shared. A Court Order may also limit parental responsibility.

Please ensure that the school is informed of anyone with parental responsibility relating to the child and about any Court Orders in operation. The Act has major implications for schools and the council. It will be necessary for schools to periodically ask you to provide them with information about who may have parental responsibility for your child and whether this is limited by a Court Order.

They will also need to see documentary evidence, if necessary. Please provide the information requested so that schools may comply with their legal responsibilities.

If you believe that the Children Act, and particularly the law relating to parental responsibility, may affect you, you may need to seek legal advice. You may also wish to contact City of Doncaster Council's APWS, telephone: 01302 736504.

School Governors

Every school has a Governing Body, which, together with the Headteacher, fulfil a range of functions relating to the running of the school. For example, Governors manage the budget, appoint staff including the Headteacher, set and monitor the school's aims and policies and ensure that all pupils have access to a broad and balanced curriculum. Governors are elected or appointed to represent parents, school staff, the council, local community and, in the case of church schools, the local Diocese. If you are interested in becoming a Governor and would like information about their role and responsibilities please contact the Governors Support Service telephone 01302 737193 or visit the website at www.doncaster.gov.uk/services/schools/school-governors

School Meals

Our meals offer an exciting choice of healthy, fresh food at excellent value.

We believe that school meals represent the best option in terms of contributing to a healthy diet and value for money, when compared to other sources of food available to children for their midday meal. All our menus comply with current food and nutritional standards.

As well as offering a choice of meals each day in most schools, some schools have a 'family service' where two pupils serve their table with food. We also provide special menus for young people from different ethnic groups and where young people need to follow a special diet as recommended by a doctor or hospital, we can make suitable arrangements.

Since September 2006, our pork has been locally reared at Marr Grange.

Taster sessions are held in schools to introduce pupils to new dishes and receive feedback.

The service works closely with schools and can provide classroom support with nutritional talks and food sampling.

If you feel that your child may be entitled to free school meals, please contact us on 01302 735336

For information on the menus currently being served please contact the relevant school for further details.

Enriching lives, Inspiring Ambitions

Admission Arrangements for 2026/2027 Academic Year

1. Consilium Academies, The Consortium of Community Trusts is the Admission Authority for the school. Unless delegated to the Local Authority (LA), only the Trust and its delegated bodies are able to decide who is eligible for a place at the school. Neither the Headteacher or other individuals are able to determine eligibility for places.

2. **General Statement**

In Doncaster, each school or academy serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary academy and a group of linked primary schools or academies in a pyramid. In this way, the Academy becomes part of the provision for a community and the education of the community's children benefits greatly from the association within the pyramid.

3. **Admission Number**

An Academy must have an admission number for each 'relevant age group', defined in law as 'an age group in which students are or will normally be admitted to the Academy in question'. The admission number for each year group is set with regard to the capacity assessment for the Academy taking into account the nature and type of the buildings and provides for an acceptable amount of space for each student. Therefore, the admission number is set to benefit the children who are taught in the Academy and those who teach and support them. Each academic year, the Academy consults with the LA and has set an admission number of **180**.

Before making a final decision, the Council consults schools on the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.

A child will normally be eligible to a place unless the number of applications for admission exceeds the admission number or they are offered an Academy which is ranked higher on an application under a Co-ordinated Admission Schemeⁱ (CAS)

4. Expressing A Preference

Applications for admission should be made in accordance with the relevant CAS.

5. Closing Date for Receipt of Parental Preferences

The closing dates for receipt of preferences for the year of entry is 31 October 2025.

Late applications for the year of entry are processed after those received by the closing date.

6. Announcement Date for Parental Preferences

For those applications received by the closing date noted above, emails will be sent to parents on 2nd March 2026

7. Eligibility For A Place At The Academy – Oversubscription Criteria

This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the Published Admission Number.

After the admission of pupils with an Education, Health and Care Plan naming the school, preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criteria is applied in order of priority as tie breakers, with criterion e) being the final tie breaker.

a) Looked After Children or all Previously Looked After Childrenⁱⁱ

b) Catchment Area

Children who are ordinarily resident in the catchment area of the Academy. Details of Catchment Areas are available from the LA: www.doncaster.gov.uk/admissions

For applications for the year of entry, the catchment area will be determined in relation to the address at which the student is ordinarily resident on the date set in the relevant co-ordinated admission scheme. Once a waiting list is formed, a child's place on that list will be updated in light of any new address. For other admissions the applicable date is the date of application.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the Academy, at the point of admission.

d) Link Schools and Academiesⁱⁱⁱ

Children attending a school or academy within the pyramid and who have, on the closing date for applications, attended that school or academy continuously for more than one calendar year.

e) Proximity

Children who live nearest to the Academy measured in a straight line from the mid point of the student's place of ordinary residence^{iv} to the entrance nearest to the reception point of the Academy.

If two or more students live equidistant from the Academy, the distance each student lives by road from the Academy will be measured and the place offered to the student who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

Where a place is only available in any of the above criterion for one child from a multiple birth i.e. twins, each child will be offered a place.

8. The Offer Of A Place At An Academy

Decisions will be sent to parents in accordance with the Authority's CAS i.e for those received by the closing date the national announcement date is 2nd March 2026.

9. Waiting Lists

For the year of entry, students will be added to the waiting list where they are refused a place and the Academy was ranked higher on the application than the place offered. Late applications will continue to be added to a list in criteria order. A change of address can affect a student's position on the waiting list. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term i.e 31st December 2026.

Places will only be allocated from the waiting list when the number of students falls below the Admission Limit of the Academy. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that the vacancy arises.

10. In Year Transfers

Applications for in year transfers are considered in accordance with LA's CAS

Applications should be made on the online application system which can be found at www.doncaster.gov.uk/admissions

A student will be deemed eligible for admission if there are sufficient places unless specific circumstances^v apply. However, a student will not be eligible for

a place if the circumstances of the year group have changed since it was the year of entry and admission of an additional child would 'prejudice the provision of efficient education or the efficient use of resources'.

Where multiple applications are received for the same year group and there are insufficient places available, eligibility for admission will be considered in accordance with the admission criteria set out above.

Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.

If a place is offered, the Headteacher will, within two weeks of receiving confirmation from the LA of an offer of a place, determine a start date.

Students are normally admitted to a school at the start of the next new term other than:-

- a. where the Headteacher in consultation with the Council considers that the pupil should be admitted earlier in the circumstances of the case, or;
- b. where the previous school is not accessible with reasonable facility e.g. due to a move into Doncaster or the student would otherwise be expected to travel longer than 45 minutes to school by public transport, or;
- c. the student is not on the roll of a school.

Students are required to start at the Academy within two weeks of the start date offered by the Headteacher and places are not normally held open beyond this period. Applicants must be in a position to take up a place within this stated period.

Repeat applications made for entry to the same year group at the same academy will not be considered, unless there has been a significant and material change to either the families or the Academy's circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

In accordance with DFE requirements students may be admitted under the Fair Access Protocol outside of the normal admission arrangements noted above.

11. Independent Appeals

If a place is not offered at the Academy parents have the right to appeal to an Independent Appeal Panel. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 10 days of receiving the refusal letter to: Litigation and Education

Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU.

12. General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the Academy of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Admission of Service Personnel and Crown Servants

To support the Armed Forces Community Covenant, applications for service personnel and crown servants moving to Doncaster will be considered one term in advance of a change of address in accordance with the guidance from the DfE providing that the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address.

Provision is also made within the Fair Access Protocol to allow for the admission of specified groups of children into schools above the admission number.

Further Information

Further, more detailed information about the admission process is available from the Council and can be found in the Admission To Primary School Booklet, available as follows:-

Learning Provision Organisation Service (Admissions), Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU

Explanatory Notes

i Co-ordination/Co-ordinated Schemes(CAS)

All local authorities are required to co-ordinate the admission arrangements for residents within their area whereby parents will submit an AF or TF to their home LA who will then ensure, as far as is possible, that a single offer of a place is sent to parents.

ii Looked After Children or all Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children
A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv Ordinarily Resident/Residence

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. An address will only be considered when they are living there. This includes updating the position on a waiting list.

v Specific Circumstances For Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code or as part of the Local Authority's In Year Fair Access Policy.

Admission Arrangements 2026/2027 School Year

- 1 Delta Academies Trust is the Admission Authority for the school. Unless delegated to the Local Authority (LA), only the Trust and its delegated bodies are able to decide who is eligible for a place at the school. Neither the Headteacher or other individuals are able to determine eligibility for places

General Statement

- 2 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

- 3 A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Each school year, the school consults with the LA and has set an admission number of **210**.
- 4 Where places are offered in excess of the admission number these are offered strictly in criteria order.
- 5 A child will normally be eligible to a place unless the number of applications for admission exceeds the admission number or they are offered an Academy which is ranked higher on an Application Formⁱ (AF) or Transfer Formⁱⁱ (TF) under a Coordinated Admission Schemeⁱⁱⁱ (CAS).

Expressing A Preference

- 6 Applications for admission should be made in accordance with the relevant CAS.

Closing Date for Receipt Of Parental Preferences

- 7 The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.
- 8 Late applications for the year of entry are processed in accordance with the relevant CAS.

Eligibility For A Place At School - Oversubscription Criteria

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion e) being the final tie breaker.

a) Looked After Children or all Previously Looked After Children^{iv}

b) Catchment Area

Children who are ordinarily resident^v in the catchment area of the preferred school. (Details of Catchment Areas are available from the LA.)

For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the date set in the relevant co-ordinated admission scheme. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, at the point of admission.

Where there are twins/children of multiple birth to be admitted to the school in the same year group. If there are insufficient places available for all siblings, and one can be allocated a place, the admission number will be exceeded to allow them to be placed in the same school.

d) Link Schools^{vi}

Children attending a school which is a linked pyramid school and who have, on the closing date for applications, attended that school continuously for more than one calendar year.

e) Proximity

Children who live nearest to the requested school measured in a straight line from the mid point of the pupil's place of ordinary residence, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the

reception point' will refer to the site the pupil attends for the purpose of morning registration.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

The Offer of A Place At A School

- 10 Decisions will be sent to parents in accordance with the Authority's CAS.

Waiting Lists

- 11 For the year of entry, pupils will be added to the waiting list where they are refused a place and the school was ranked higher on the AF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
- 12 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that the vacancy arises.

In Year Transfers

- 13 Applications for in year transfers are considered in accordance with the LA's CAS.
- 14 Applications should be made on the LA's TF and submitted to the LA for consideration.
- 15 A pupil will be deemed eligible for a school place if there are sufficient places unless specific circumstances apply^{vii}.
- 16 Where multiple applications are received for the same year group and there are insufficient places available, eligibility for admission will be considered in accordance with the admission criteria set out in Section 9.
- 17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is offered, the Headteacher will, within two weeks of receiving confirmation from the LA of an offer of a place, determine a start date.

- 19 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Headteacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 20 Pupils are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been a significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 22 In accordance with DFE requirements pupils may be admitted under the Fair Access Protocol outside of the normal admission arrangements noted above.

Allocation Of Places

- 23 If, following the consideration of an application from a Doncaster resident, an application is refused and the pupil does not currently have a place in a Doncaster school a place will be offered at an alternative school in accordance with the LA's CAS.

Independent Appeals

- 29 If a place is not offered at the school parents, have the right to appeal to an Independent Appeal Panel. Details of the appeals procedure will be sent to parents with their decision.
- 30 Parents who intend to make an appeal should normally submit a notice of appeal within 10 days of receiving the refusal letter to: Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU.

Admission Arrangements Astrea Academy Woodfields 2026/2027 School Year

1. Admission Authority

Astrea Academy Trust is the Admission Authority for the school. Unless delegated to the Local Authority (LA), only the Trust and its delegated bodies are able to decide who is eligible for a place at the school. Neither the Headteacher or other individuals are able to determine eligibility for places

2. Published Admission Number (PAN)

The School has a PAN of **210** for entry into Year 7.

The School will admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

The number above are often the indicative admission number for subsequent year groups. From time to time, however, the true capacity of these year groups might vary, and the Trust is entitled to limit the indicative admission number to a number below 210 where there are clear grounds to do so.

3. Application Process and Timeline

Normal Round (for entry into Year 7 in September)

- Applications made during the main round for a place at the school are administered through Doncaster Metropolitan Borough Council ("the LA"). Parents resident in Doncaster can apply online at: [School admissions - City of Doncaster Council](#)
- Parents in other LA areas must apply through their home LA.
- The LA timetable will be used for all normal round applications each year.
- The deadline for an application for a place in Year 7 is 31st October in the year before your child will start secondary school.
- Offers will be made by the LA, on behalf of the school, on 1st March or the next working day.

4. In-Year admission

- Applications for a place outside the main round are known as “in-year” applications. For example, if a Year 8 child moves into the area, an in-year application will be made.
- Astrea Academy Trust reserves the right to administer in-year admissions to the school. However, by agreement with the LA, the LA will administer these applications and parents should use the LA link provided above.

5. Oversubscription criteria

When the school receives more applications than places available, after the admission of pupils with an Education, Health, and Care Plan (EHCP) which names the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

a. Looked After Children or all Previously Looked After Children¹

b. Catchment Area: Children who are ordinarily resident in the catchment area.

c. Siblings: Children who are living within the same family unit who will be attending the school, (excluding sixth form), at the point of admission.

d. Link Schools: Children attending a school which is linked to the **Balby Pyramid** and who have, on the closing date for applications, attended that school continuously for more than one calendar year.

e. Proximity: Children who live nearest to the school measured in a straight line from the mid-point of the pupil's place of ordinary residence, to the entrance nearest to the reception point of the school building.

6. Tiebreaker for Equi-distant Applications

Where the offer of the last place in the relevant year group could be made for a number of eligible children resident equi-distant from the school the determination of the single offer will be by Random Allocation which will be managed by the LA.

¹ Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements orders' are defined in Section 8 of the Children Act 1989 as amended by Section 12 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)

7. False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application.

8. Late Applications

All applications received after the deadline will be treated in accordance with the LA's policy on late applications.

9. Admission of children outside their normal age group

Applications for children to be admitted to a school year outside of their chronological age group should be submitted to the home LA during normal round admissions, or to the LA as described above regarding the in-year admissions process, clause 4. Each application will be considered and decided by the school on the individual circumstances of each case.

Applicants should provide documentation in support of their application regardless of whether they are asking for the child to be admitted in a lower or higher year group.

The School will take into account the parent's views; information about the child's academic, social, and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The School will consider the information provided taking into account the views of the head teacher and will inform the parent in writing of their decision including the reason. If the school agrees to this request the child will be considered with the other applicants under the published oversubscription criteria for the admission year and year group that they are applying for.

Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school, but it is not in their preferred age group.

10. Waiting lists

The Year 7 entry waiting list will be open until 31 December. All children who have not been offered a place at the school or where the school is ranked higher than the school where an offer was made will automatically be placed on the waiting list.

The School will operate a waiting list for each year group. This will be maintained by the LA unless it is agreed that the LA will no longer have responsibility for in-year admissions.

A child's position on the waiting list and any offers made as places become available will be determined solely in accordance with the oversubscription criteria. This means that the waiting list is not a 'queue' and it is possible to move down as well as up the waiting list if additional applications are received for children with higher priority.

The waiting list will operate for the full academic year. If at the end of the academic year a parent would like their child to be considered for entry to the subsequent year group, they will be required to apply afresh, see clause 4.

11. Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Further information and contact details will be included in any refusal letter.

12. Fair Access Protocol

The School will participate in the LA Fair Access Protocol which will be used to place vulnerable and /or hard-to-place children, where they are having difficulty securing a school place in-year, and it can be demonstrated that reasonable measures have been taken to secure a place through the usual in-year admission procedures. Children admitted under this protocol will be prioritised over those on the in-year waiting list.

13. Notes

- a) **Home address** - The home address is where a child normally lives. See LA website for definition.
- b) **Shared parental responsibility** - Where parents are separated and the child lives with each parent for part of the week, the home address will be the one where the child spends the majority of his or her time. The School will follow the process used by the LA.
- c) **Catchment area & Linked schools** - see [Secondary School Booklet – School Admissions City of Doncaster Council](#)
- d) **Sibling definition** - A child who will still be in attendance at the school on the proposed date of admission for the applicant. A 'sibling' is a brother, sister, halfbrother, half-sister, stepbrother, or stepsister who is ordinarily resident at the same address as the child for whom the application is being made.
- e) **Distance measurement** - All distances will be calculated by the LA using a computerised system.
- f) **Multiple births (twins, etc.)** - In the case of multiple births or siblings in the same year group, where there is only one place available in the school, all will be considered together as one application.
- g) **Service children and Crown servants** - or families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, the Admission Authority will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. The Trust will not refuse a service child a place because the family does not currently live in the area.

- 7.1 Students will be added to the waiting list of Campsmount Academy if they were refused admission. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
- 7.2 Places will only be allocated from the waiting list when the number of students falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that the vacancy arises.

8 Admission to Post 16

- 8.1 The total number of children to be admitted each year will decided by, and depend upon the published Admission Limit for the Post 16 provision at Ridgewood Post 16 centre.

9 In Year Transfers

- 9.1 Applications for in year transfers are considered in accordance with the LA's school admissions arrangements.
- 9.2 Applications should be made on the LA's school transfer form and submitted to the LA for consideration.
- 9.3 A student will be deemed eligible for a school place if there are sufficient places unless specific circumstances apply.
- 9.4 Where multiple applications are received for the same year group and there are insufficient places available, eligibility for admission will be considered in accordance with the admission criteria set out in Section 5.
- 9.5 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 9.6 If a place is offered, the Headteacher will, within two weeks of receiving confirmation from the LA of an offer of a place, determine a start date, however, start dates will usually be at the beginning of a term.

Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

Appendix A Explanation of Terms

Catchment Area

The associated catchment area is defined by the Campsmount Pyramid of schools (Spa Academy Askern and Norton Junior School).

Common Application Form (CAF)

The Common Application Form is the form parents fill in to apply for a place at Secondary School which is submitted to the Local Authority.

Co-ordination/Co-ordinated Schemes (CAS)

The Local Authority will co-ordinate the admission arrangements for residents within their area whereby parents will submit a CAF or TF (Common Transfer Form) to their home Local Authority who will then ensure, as far as is possible, that a single offer of a place is sent to parents.

Looked After Children or Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Offer Year

The school year immediately preceding the school year in which students are to be admitted to schools under the admission arrangements in question. This is the school year in which the offers of school places are communicated.

Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

Siblings

Children who are living within the same family unit (e.g. stepchildren) who are attending the requested school, (excluding sixth form), at the point of admission. Where there are twins/children of multiple birth to be admitted to a school in the same year group. If there are insufficient places available for all siblings, and one can be allocated a place, the admission number will be exceeded to allow them to be placed in the same school.

Tie Breaker

Distance from Campsmount Academy will operate as the final tie break should Campsmount Academy be oversubscribed from any of its designated priorities as follows:

Children who live nearest to Campsmount Academy measured in a straight line from the point of the front entrance of the student's place of ordinary residence, to the entrance nearest to the main entrance of Campsmount Academy.

If two or more students live equidistant from the school, the distance each student lives by road will be measured and the place offered to the student who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

Admission Arrangements 2026/2027 School Year

- 1 Delta Academies Trust is the Admission Authority for the school. Unless delegated to the Local Authority (LA), only the Governing Body is able to decide who is eligible for a place at the school. Neither the Headteacher nor their representatives are able to determine eligibility for places.

General Statement

- 2 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

- 3 A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Each school year, the school consults with the LA and has set an admission number of **150**.
- 4 In the case of the year of entry, a child may not normally be refused admission to a school on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Form (CAF)ⁱ under a Co-ordinated Admission Scheme (CAS)ⁱⁱ.

Expressing A Preference

- 5 Applications for admission to a school's year of entry should be made in accordance with the relevant CAS.

Closing Date for Receipt of Parental Preferences

- 6 The closing dates for receipt of preferences for the year of entry are in accordance with the LA's CAS.
- 7 Late applications for the year of entry are processed in accordance with the relevant CAS.

Eligibility For a Place at School - Oversubscription Criteria

- 8 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion e) being the final tie breaker.

a) Looked After Children or all Previously Looked After Childrenⁱⁱⁱ

b) Catchment Area

Children who are ordinarily resident^{iv} in the catchment area of the preferred school. (Details of Catchment Areas are available from the LA.)

For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the date set in the relevant co-ordinated admission scheme. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g., stepchildren) who will be attending the requested school, at the point of admission.

Where there are twins/children of multiple birth to be admitted to a school in the same year group. If there are insufficient places available for all siblings, and one can be allocated a place, the admission number will be exceeded to allow them to be placed in the same school

d) Link Schools^v

Children attending a school which is a linked pyramid school and who have, on the closing date for applications, attended that school continuously for more than one calendar year.

e) Proximity

Children who live nearest to De Warenne Academy measured in a straight line from the point of the mid-point to the pupil's place of ordinary residence to the entrance nearest to the reception point of the academy. If two or more pupils live equidistant to the academy, the distance each pupil lives by road from the academy will be measured

and the place offered to the pupil who lives nearest by this means. In the event of this being equal, places will be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

Offer of a place at this academy

- 9 Decisions will be posted to parents in accordance with the Authority's CAS

Unsuccessful Applications

- 10 Any parent whose child is not offered a place at De Warenne Academy has the right to independent appeal. Details of the appeals procedure will be sent to parents with their decision.

Waiting Lists

- 11 Pupils will be added to the waiting list of the academy if they were refused a place and the academy was ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above.
- 12 Places will only be allocated from the waiting list when the number of pupils falls below the admission limit of the academy. While the waiting list is in operation, when a place does become available, it will be allocated to the child at the top of the list on the day that the LA receive written confirmation of the vacancy

In Year Transfers

- 12 Applications for admissions outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the Authority's In Year Transfer Form.
- 13 Where there are sufficient places, an application will normally be agreed unless specific circumstances^{vi} apply. However, admission may be refused if circumstances have changed since the year group was the year of entry and admission of an additional child would 'prejudice the provision of education or the efficient use of resources'
- 14 Where there are insufficient places for the number of applicants, all applicants will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 15 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 16 If a place is agreed, the Principal will, within two weeks of receiving confirmation from the LA of an offer of a place, determine a start date.

- 17 Pupils are normally admitted to the academy at the start of the next new term other than with the prior approval of the Principal or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 18 Pupils are required to start at the academy within two weeks of the start date offered by the Principal and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 19 Repeat applications made for entry to the same year group at the academy will not be considered, unless there has been significant and material change to either the families or the academy's circumstances since a previous application and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 20 In accordance with DFE requirements, where an 'In Year Fair Access Protocol' has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Allocation of Places

- 21 If, following the consideration of an application from a Doncaster resident, an application is refused and the pupil does not currently have a place in a Doncaster school a place will be offered at an alternative school. The alternative school will be the next nearest school with vacancies, taking into account the Authority's transport policy.

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g., giving a false address. It is for parents to satisfy the school of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Further Information

Further, more detailed information about the admission process is available in the Admission to School Booklets, from the school or the LA.

Doncaster UTC: Admissions Policy Academic Year 2026/27

IMPORTANT

DUTC will manage its own admissions arrangements for both Year 9 and Year 12 outside the normal local authority process for co-ordinating school offers.

All Applications should be made directly to DUTC.

**SHAPING CAREERS
FORGING FUTURES**

Introduction

- 1.1. The Brighter Futures Learning Partnership Trust is the admission authority and is responsible for determining the admissions policy. All decisions relating to admission applications will be taken by the UTC's Local Governing Body.
- 1.2. Doncaster UTC (DUTC) is a University Technology College specialising in engineering and creative & digital technologies. DUTC is a distinctive school led by employers and universities to provide an innovative and engaging learning environment and unique learning experience. DUTC will equip students with the education, skills and qualifications creating pathways into higher education, apprenticeships, and employment in the most significant areas of economic growth locally, nationally, and internationally.
- 1.3. When applying to Year 9 or Year 12 at DUTC, parents, carers and students should note the unique offer at DUTC. DUTC will deliver a core curriculum based around STEAM (science, technology, engineering, Arts and mathematics) subjects, with an opportunity for learners to select units focused towards engineering or creative & digital technologies if they wish. Students will spend much of their time at the UTC working on projects which will link into the curriculum and are related to the specialisms.
- 1.4. Doncaster UTC is committed to an open, fair and transparent admissions policy complying with the School Admissions Code and the School Admission Appeals Code (the Codes). In accordance with the Codes, Doncaster UTC will review its Admissions policy annually in line with the consultation timetable for admissions. This policy will be reviewed in readiness for entry in September 2027. The Brighter Futures Learning Partnership Trust is the admission authority and is responsible for determining the admissions policy. All decisions relating to admission applications will be taken by the UTC's Local Governing Body.
- 1.5. DUTC is located in Doncaster town centre and serves the town of Doncaster and the wider subregion. This admissions policy seeks to ensure a fair balance between Doncaster and its neighbours and also to minimise the impact on any individual school.

2. Process of Application

- 2.1. DUTC will manage its own admissions arrangements for both Year 9 and Year 12 outside the normal local authority process for co-ordinating school offers. Applications should be made directly to DUTC.
- 2.2. Copies of the application form are available online from 1st September 2025 9am. (www.doncasterutc.co.uk). Alternatively, a printed copy can be requested by contacting DUTC directly on 01302 976515.
- 2.3. To receive an offer of acceptance by 13th March 2026, applications must be submitted by:
 - 12th December 2025 for students entering Year 9 and Year 12 students applying for a post-16 that are based at the UTC.
 - 13th March 2026 for external students entering Year 12
- 2.4 All students for Year 9 admissions will be expected to apply for one of the UTC's two specialisms:

- For Engineering there will be 75 places available
- For Creative and Digital Technologies there will be 75 places available

If there are insufficient applicants for places in one specialism these will be added to the places available for the other specialism up to a maximum of an additional 15% in either specialism due to the restriction of the building and equipment available.

- 2.5. Parents/carers (Year 9) and students (Year 12) will be expected to confirm acceptance of the place by 20th March 2026 and will be required to attend an enrolment evening.
- 2.6. Applications before the 12th December 2025 (Year 9) and 13th March 2026 (Year 12) will be notified on or before the 13th March 2026. Applications after these dates will be notified after 13th March 2026 if places are available.
- 2.7. Inaccurate or false information on the application form may result in the place being withdrawn.

3. Published Admission Number (PAN)

3.1. For September 2026, Doncaster UTC will operate the following PAN: Year 9 - 150 students.

- If fewer Year 9 applicants than the PAN are received, all applicants will be admitted.
- If more applicants than the PAN are received, the over-subscription criteria listed in **Section 5** will be applied.

Year 12 - 50 students who meet the minimum entry requirements for post-16 courses (**see Section 6**):

- 120 students who meet the minimum entry requirements for post-16 courses. The Year 12 PAN is low because this applies to external candidates only. Year 11 students attending Doncaster UTC are guaranteed a place in Year 12, providing they meet the minimum entry requirements.
- If more than 120 eligible applicants apply, the oversubscription criteria will be applied as outlined in Section 5.

3.2 Students will not be admitted to Doncaster UTC at any other time other than at the start of the Year 9 or Year 12 unless agreed with the Principal.

4. Special Educational Needs/Education Health and Care Plans 4.1.

Students with an Education Health and Care Plan (EHCP) will be admitted to Doncaster UTC if Doncaster UTC is named on the EHCP.

5. Oversubscription Criteria

5.1. If the number of applicants to Doncaster UTC for Year 9 entry is at, or below, the PAN, as detailed in paragraph

3.2 of this policy, all applicants will be admitted.

5.2. The criteria in this section apply to entry at both phases of the school. Any students wishing to enter the sixth form will also be required to have met the academic entry criteria for the Sixth-Form set out below. If there are more applicants than places, the following criteria will apply:

- Preferences will be sorted in the priority order of the criterion outlined below.

**SHAPING CAREERS
FORGING FUTURES**

- Should there be insufficient places available within each criterion, places will be allocated by Random Allocation under each specialism, which will be supervised by someone independent to the UTC.

a) Looked After Children or Previously Looked After Children

b) Trust school up to 25 places in Year 9, will be available for students on the role of Hungerhill School at the published closing date. Where the number of applicants for Year 12 is greater than the published number, applicants currently on role at the UTC will be given priority, providing they meet the entry criteria, places will then be offered to students on role at Hungerhill School.

C) Trust Partner Schools

Students who had previously attended a school which is a member of the 'Brighter Futures Learning Partnership Trust'. The Trust schools are:

- Hungerhill School
 - Kirk Sandall Infants and Junior Schools
 - Dunsville Primary School
 - Barnby Dun Primary Academy
 - West Road Primary Academy
- d) Siblings Students with a sibling¹ living within the same family unit (e.g. stepchildren) who will be attending the requested school at the point of admission. Where there are insufficient places in the appropriate year group to enable all siblings from a family unit to be admitted, including twins, triplets, etc., all will be admitted.
- e) Students who are ordinarily resident in the catchment area. Students living within the designated catchment area of the school. Our catchment area is defined by postcodes DN1-12 and S64.
- f) Students who are ordinarily resident outside of the catchment area. Students living outside the designated catchment area of the school. Our catchment area is defined by postcodes DN1-12 and S64.

¹ 'Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a stepbrother or sister or other child living in the same household as part of the same family who, in any of these cases, will be living at the same address at the date of their application for a place.

6. Academic entry criteria for Year 12

6.1. In order to be eligible for entry or progression into year 12, applicants and our own year 11 students will normally be required to have met the following academic entry criteria:

- 5+ GCSEs with grades 4 to 9 including in English and mathematics (or equivalent grades for BTECs).
- Grade 6 at GCSE for A Level subjects
- Access to A level Physics and Chemistry will require a minimum of grade 6 in GCSE Maths
- Access to the Diploma in Engineering or Creative and Digital Technologies would require a minimum of 5 grade 4s at GCSE including English, maths and science.

- 6.2. In addition to these academic entry/progression criteria, the UTC may also stipulate additional academic criteria for some subjects where relevant for the course they are entering. This will be stipulated on Doncaster UTC's website.
- 6.3. If students meet the general academic entry requirements for the school but not for their chosen course or courses, they will be offered a conditional offer for courses for which they have met the academic standard.
- 6.4. Places will be conditional until evidence of results have been obtained (typically a results statement).

7. Waiting List Provision

- 7.1. Where Doncaster UTC receives more applications for places than there are places available, Doncaster UTC will maintain a waiting list until the end of the first term of the year of entry (31st December). This will be open to any parent/carer who requests that their child's name is placed on it following an unsuccessful application.
- 8.2. Vacant places under specific specialisms will be offered from the waiting list as and when available (in accordance with the published criteria).
- 7.3. To be entered onto the waiting list for Year 12, students must have met/be predicted to meet the entry criteria.

8. Admission of Children Outside Their Normal Age Group

8.1. Parents/carers may request that their child is admitted to a year group outside their normal age range, for instance where the child is gifted or talented or where a child has suffered from particular social or medical issues impacting his or her schooling. All such requests will be considered on their merits and either agreed or refused on that basis. If a request is refused, the child will still be considered for admission to their normal age group.

8.2. The process for requesting such an admission is as follows:

- with the application, parents/carers should request that the child is admitted to another year group, stating which one and providing the reasons for that request;
- parents/carers should submit any evidence in support of their case with the application, for instance from a medical practitioner, Principal etc. This could include:
 - information about the young person's academic, social and emotional development;
 - the young person's medical history and the views of a medical professional;
 - whether the young person has previously been educated out of their normal age group;
 - whether the young person may naturally have fallen into a lower age group if it were not for being born prematurely.

8.3. Doncaster UTC will consider each case on its merits, taking into account the individual circumstances of the request and the young person's best interests.

8.4. Parents/carers will be made aware of whether the request for admission out of age group has been agreed before final offers are made. The reason for any refusal will be explained.

8.5. Requests for admission out of the normal year group will be considered alongside other applications made at the same time. An application from a young person who

**SHAPING CAREERS
FORGING FUTURES**

would 'normally' be a Year 8 or 11 child for a Year 10 or Year 12 place will be considered alongside applications for Year 10 and Year 12.

9. Appeals

9.1 All unsuccessful applicants for places at Doncaster UTC have the right of appeal to an independent admission appeals panel. The appeals process will comply with the School Admission Appeals Code. 9.2. Parents/carers will be provided with information about how to appeal in the letter informing them that the application has been unsuccessful.

ⁱ Looked After Children or Previously Looked After Children

Children who are in the care of a local authority as defined by Section 22 of the Children Act 1989 at the time of application. Previously looked after children are children who were looked after but ceased to be so because they were adopted (Section 46 of the Adoption and Children's Act 1989) or became subject to a residence order (Section 8 of Children Act 1989) or special guardianship order (Section 14a of the Children Act 1989).

ⁱⁱ Ordinarily Resident Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list.

1. Admission Arrangements for Exceed Learning Partnership Academies

Exceed Learning Partnership is its own admissions authority; this means that the Trust is responsible for setting its own admissions arrangements. For the purposes of aligning with other local schools and academies, the Trust continues to use Doncaster Local Authority for the co-ordination of all admissions and making offers of places.

2. General Statement

In Doncaster, each academy serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary academy/school and a group of linked primary academies/schools, in a pyramid. In this way, each academy/school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its academies/schools.

3. Admission Number

- 3.1 An academy must have an admission number (see appendix 1) for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the Academy in question'. The admission number for each year group is set with regard to the capacity assessment for the academy, taking into account the nature and type of the academy buildings, and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the academy and those who teach and support them. Where necessary, the Governing Board of each academy consults with the CEO on any proposed changes to the admission number for the academy. (see Appendix 1 for our academies' admission numbers).
- 3.2 Before making a final decision, the CEO along with the Directors Board and the Academy Principal, will consider the number and size of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order. If at any time following the determination of the PAN, a decision is made that the Academy is able to admit above its PAN, it MUST notify the Local authority in good time to allow the Local Authority to deliver its coordination responsibilities effectively.
- 3.3 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered an academy/school which is ranked higher on a Common Application Form (CAF)¹ under a Coordinated Admission Scheme (CAS).

4. Expressing a Preference – Year of Entry

Applications for admission to an academy's year of entry must be made in accordance with the relevant Coordinated Admissions Scheme. The Admissions Scheme is published on the City of Doncaster Council Website

5. Closing Date for Receipt of Parental Preferences

The closing dates for receipt of preferences for the year of entry are in accordance with the Local Authority's Coordinated Admissions Scheme. Late applications are processed in accordance with the scheme.

6a. Eligibility for a Place at a School – Secondary Academies Oversubscription Criteria

Secondary Academies: – Hall Cross Academy

This section outlines the criteria used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

If the Secondary Academy is oversubscribed, after the admission of pupils with an Education, Health and Care Plan where the school is named in the Plan, priority for admission will be given to those children who meet the criteria set out below, in order

a) Looked After Children or all Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989)

b) Children of Staff

Where a member of staff (both teaching and support staff, excluding voluntary staff) has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

For this category, a 'child' of a staff member is:

- Their natural or adopted child, whether they live with the staff member or elsewhere; and/or
- Their stepchild or child of their cohabiting partner, who lives and sleeps at the staff members home address for more than 50% of their time from Sunday to Friday during term time.

c) Siblings

Children with a sibling who is attending the school. Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

d) Catchment Area

Children who are ordinarily resident in the catchment area of the preferred school. (Details of Catchment Areas are available on the Doncaster Council Website

<https://www.doncaster.gov.uk/services/schools/school-catchment-areas>) For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the date set in the relevant co-ordinated admission scheme.

Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

e) Link Pyramid School

Children attending a school which is a linked pyramid school and who have, on the closing date for applications, attended that school continuously for more than one calendar year. These are as follows: Atlas Academy, Bessacarr Primary, Hatchell Wood Primary, Hawthorn Primary, Lakeside Primary, Willow Primary

f) Trust Schools

Children attending one of Exceed Learning Partnership Trust Schools (Hill Top Academy, Edlington Victoria Academy, Carr Lodge Academy, Sandringham Primary School, Sheep Dip Lane Academy, Bentley High Street Primary School, Rosedale Primary School, The Mallard Academy, Willow Primary School) for more than one academic year, and who have, on the closing date for applications, attended one of these schools continuously for more than one year.

g) Proximity

Children who live nearest to the requested school measured in a straight line from the mid-point of the pupil's place of ordinary residence, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the reception point' will refer to the site the pupil attends for the purpose of morning registration. If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

6b. Eligibility for a Place at a School – Primary Academies Oversubscription Criteria

Primary Academies: Bentley High Street Primary School, Carr Lodge Academy, Edlington Victoria Academy, Hill Top Academy, Rosedale Primary School, Sandringham Primary School, Sheep Dip Lane Academy, The Mallard Academy, Willow Primary School

This section outlines the criteria used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

If the Primary Academy is oversubscribed, after the admission of pupils with an Education, Health and Care Plan where the school is named in the Plan, priority for admission will be given to those children who meet the criteria set out below, in order

a) Looked After Children or all Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and

ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989)

b) Children of Staff

Where a member of staff (both teaching and support staff, excluding voluntary staff) has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

For this category, a 'child' of a staff member is:

- Their natural or adopted child, whether they live with the staff member or elsewhere; and/or
- Their stepchild or child of their cohabiting partner, who lives and sleeps at the staff members home address for more than 50% of their time from Sunday to Friday during term time.

c) Siblings

Children with a sibling who is attending the school. Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

d) Catchment Area

Children who are ordinarily resident in the catchment area of the preferred school. (Details of Catchment Areas are available on the Doncaster Council Website <https://www.doncaster.gov.uk/services/schools/school-catchment-areas>). For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the date set in the relevant co-ordinated admission scheme. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

e) Proximity

Children who live nearest to the requested school measured in a straight line from the mid-point of the pupil's place of ordinary residence, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the reception point' will refer to the site the pupil attends for the purpose of morning registration. If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

7. The Offer of a Place at an Academy/School

Decisions will be emailed to parents in accordance with the Local Authority's Coordinated Admissions Scheme. The offer is made on the National Offer Day.

8. Unsuccessful Applications

Any parent whose child is not offered an academy place for which they have expressed a preference has the right to an independent appeal.

9. Waiting Lists

- 9.1 Pupils will be added to the waiting list(s) of academies where they are refused a place and those academies were ranked higher on the Common Application Form than the place offered. Places on the waiting list will be strictly prioritised in criteria order as given above and will operate until the end of the Autumn Term (31st December).
- 9.2 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the academy. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.
- 9.3 Looked after children or previously looked after children will be allocated a place at the academy in accordance with the Fair Access Protocol and will take precedence over those on the waiting list. Details about Doncaster's Fair Access Protocol is available at:
www.doncaster.gov.uk/services/schools/school-admissions

10. In-Year Transfers

- 10.1 A parent can apply for a place for their child at any school, at any time. Applications for admissions outside of the normal admission round (In-year Transfers) may be considered by each individual academy. They should be made on the official application form and will be managed by the Local Authority admissions scheme. Information on how in-year applications can be made are available on the City of Doncaster Council website.
- 10.2 Where there are sufficient places an application will normally be agreed unless specific circumstances apply.
- 10.3 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criteria listed above and places awarded accordingly.
- 10.4 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 10.5 If a place is agreed, the Principal will, within two weeks of a place being offered, determine a start date.
- 10.6 Pupils are normally admitted to an academy at the start of the next new term other than with the prior approval of the Principal of the academy or in circumstances beyond parental control e.g. movement into the Borough.

- 10.7 Pupils are required to start at the academy within two weeks of the start date offered by the Principal and places are not normally held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 10.8 Repeat applications made for entry to the same year group at the same academy will not be considered, unless there has been significant and material change to either the families' or the academy's circumstances since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 10.9 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Local Authority/Trust, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

11. Nursery Admissions

- 11.1 Parents should initially apply for their child to be admitted in the September following their child's third birthday. Subject to the availability of places, successful applicants will be eligible for admission during the term following their third birthday. (See section 11.9)
- 11.2 Pupils are entitled to 15 hours' free provision per week for 38 weeks.
- 11.3 **Admission Limit**
The Admission Limit of each academy (see appendix 1) determines the maximum number of pupils that can be properly accommodated in a nursery. It is not an arbitrary process, and;
- is assessed in accordance with the Department for Education (DfE) Premises Regulations which take account the nature and type of the school buildings providing for the acceptable amount of space for each pupil, and
 - takes into account the DfE staffing ratio of 1 adult to 13 pupils with at least one adult being a teacher.
- 11.4 **Closing and Announcement Dates**
The closing date for receipt of applications for nursery 6th October 2025. Local Nursery Offer Date is 6th November 2025. Late applications are accepted and will be considered after those received by the closing date have been processed.
- 11.5 Applications are considered during the school year and should be submitted by Friday at 5pm during term time. Decisions are normally posted within 2 school weeks.
- 11.6 **Admission to Nursery**
A child who has attained the age of three years on, or before, 31st August will normally be admitted part-time to a nursery class from the start of the following school year.
- 11.7 Although the majority of children will only attend one nursery, the minimum period they should attend is one term and parents are required to sign a contract on a termly basis.

11.8 Only in exceptional circumstances will a pupil be allowed to transfer between academies/schools during a term i.e. where they change their address or there is a change in child care arrangements.

11.9 Early Admission

Once a pupil has secured a place for September admission, if places are available children may be admitted earlier. Those places will be offered by the academy/school in criteria order as follows;

- a) Children born in the Autumn Term may be able to start in the Spring Term.
- b) Children born in the Spring Term may be able to start in the Summer Term.

If a child attends a nursery 'early', they will normally continue into the nursery in the following September unless there has been a change of address or there is a change in child care arrangements.

11.10 Allocation of Places and Admission Criteria

This section outlines the criteria to be used to decide upon eligibility for a place where the number of applications exceeds the admission limit.

Having regard to a pupil with an Education Health and Care Plan naming the school in their statement, the criteria for allocating places is listed below in order of priority:

a) Looked After Children or all Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989)

b) Children of Staff

Where a member of staff (both teaching and support staff, excluding voluntary staff) has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

For this category, a 'child' of a staff member is:

- Their natural or adopted child, whether they live with the staff member or elsewhere; and/or
- Their stepchild or child of their cohabiting partner, who lives and sleeps at the staff members home address for more than 50% of their time from Sunday to Friday during term time.

c) Siblings

Children with a sibling who is attending the school (excluding nursery). Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

d) Catchment Area

Children who are ordinarily resident in the catchment area of the preferred school. (Details of Catchment Areas are available on the Doncaster Council Website <https://www.doncaster.gov.uk/services/schools/school-catchment-areas>). For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the date set in the relevant co-ordinated admission scheme. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

e) Proximity

Children who live nearest to the requested school measured in a straight line from the mid-point of the pupil's place of ordinary residence, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the reception point' will refer to the site the pupil attends for the purpose of morning registration. If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

11.11 Waiting Lists

In the event of a parent being refused admission, the child's name will be placed on a waiting list for the nursery. Waiting lists are held all year in criteria order and by date of birth within criteria (eldest first).

If a place becomes available, it will be offered first to children of current nursery age and then to any children who may be eligible to be admitted 'early'. No priority will be given to the date of receipt of the application.

11.12 Places will only be allocated from the waiting list when the number of pupils in the nursery falls below the Admission Limit. If a place does become available, it will be allocated to the child at the top of the list on the day that the LA receives confirmation of the vacancy.

11.13 Further Information

Further, more detailed information about the admission process can be found in the Starting in a Nursery Booklet, available from the academy or the LA as follows: -

12. Deferred Entry for the Admission of Summer Born Children

Deferred Entry and Part-Time Attendance in Reception Year

All children are entitled to a full-time place in Reception starting in the September following their fourth birthday. However, they do not reach compulsory school age (CSA) until one of three prescribed dates after their fifth birthday:

Born on or between	Date the child reaches compulsory school age
1 September and 31 December	Reach CSA on 31st December (following their 5th birthday).
1 January and 31 March	Reach CSA on 31st March (following their 5th birthday).
1 April and 31 August	Reach CSA on 31st August (following their 5th birthday).

Parents have the absolute right to delay their child's school start until they reach CSA. This is known as deferred entry or delayed entry for summer born children (see below). The Academy cannot refuse this request.

If parents choose to defer their child's entry during the school year, the Academy will reserve their place in Reception for up to two terms (until the Easter holiday). However, places cannot be deferred or retained beyond this point.

Parents also have the absolute right to choose part-time attendance until their child reaches CSA. This option can be exercised throughout the school year and may be combined with deferred entry. For example, a child born on February 5 could delay their start until after the Christmas break and then attend part-time until Easter.

Parents wishing to defer entry or opt for part-time attendance should apply for a place as usual. Once they have accepted the offer, they should inform the Academy of their decision, preferably in writing. No explanation is required.

Delayed Entry for Summer Born Children

Children born between 1 April and 31 August (referred to as "summer-born children") reach CSA on 31st August following their fifth birthday. As a result, they are not legally required to start school until the September after they turn five, which is one academic year later than when they first become entitled to a full-time Reception place.

Parents of summer born children can defer their child's place for one or two terms and/or opt for part time attendance throughout the school year until they reach compulsory school age, as set out above. However, parents cannot defer their child's place for a full academic year and still retain it. If they wish for their child to start school in the following academic year instead, they must decline the offered place and reapply for admission the next year.

If parents choose to delay their child's admission by one full academic year, the default position is that

the child will enter Year 1 with their normal age group. This means:

- The child will not have attended Reception, missing the early years foundation stage of school.
- Admission to Year 1 is subject to available places, which are often limited, meaning a place cannot be guaranteed.

Parents may request that their summer-born child starts Reception a year later, instead of moving straight into Year 1 with their age group. The process for making this request is outlined below. However, unlike deferred entry or part-time attendance (which are legal entitlements), there is no absolute right to delayed admission to Reception. Each request is considered individually, and the decision rests with the admission authority of the school.

Parents who wish to request delayed admission should submit their request as early as possible, ideally well before application deadlines, to ensure they receive a decision in principle. This allows them to make an informed choice when applying for school places.

Requests for Admission Outside Normal Age Group

Parents have a right to request that their child is admitted to a year group other than their normal year group at the Academy. This may be to a year group below or above, and there may be a variety of reasons for making this request. For example, the child might be gifted, suffer from long-term or serious illness, or have been educated overseas and/or used to studying at a different level (these are examples only, not an exhaustive list).

Before deciding to defer your child's admission, you should first contact the school(s) you are interested in applying for. They will be able to explain the provision on offer to children in Reception, how it is tailored to meet the needs of summer born children and how those needs will continue to be met as the children move up through the school. They may also be able to allay any concerns that you may have about your child's readiness for school.

If you still wish to defer your child's admission to school, you must seek approval from the admission authority of each school you wish to apply for.

For Academies within Exceed Learning Partnership, you must complete a Request to Defer Admission Form (see appendix 3) and discuss your request with the academy directly.

In addition to seeking approval from the admission authority of your preferred school(s), you are also advised to make an application as part of the main admission round for the year group that your child would normally be admitted to school, until a decision on your request has been reached.

Parents are strongly encouraged to submit their requests well in advance of application deadlines to receive a decision in principle, allowing them to make informed choices when applying for admission.

As described above, each child's circumstances are considered on a case-by-case basis and a decision will be made in the best interests of the child. The Admission Authority is required to seek the views of the Principal of the school concerned. You will receive a response in writing to your request before the primary national offer date setting out clearly the reasons for the decision.

If your request to defer is approved, you can simply withdraw your application for the normal age group.

You will then need to make a new application as part of the main admission round for the following year.

If your request to defer is refused, you will need to decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in-year application for admission to Year 1 for the September following the child's fifth birthday

13. Independent Appeals

If a place is not offered at a preferred academy, parents have the right to appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 school days of receiving the notification that an application was unsuccessful by requesting an appeal form and emailing the following information to admissionappeals@doncaster.gov.uk

Childs Name, Childs Date of Birth, School you wish to appeal for

14. General Information

14.1 False Information

Any place offered on the basis of a fraudulent or intentionally-misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

14.2 Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

14.3 Random Allocation

The Random Allocation process will be conducted independently of the Trust and the school. It will be managed by the Local Authority's Admissions Team. Pupils will be randomly assigned a rank number, and the draw will be carried out using a third-party service (www.Random.org or equivalent).

14.3 Fair Access Protocol

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced children who live in the local authority, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full. Details about Doncaster's Fair Access Protocol is available at www.doncaster.gov.uk/services/schools/school-admissions

15. Explanatory Notes

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for an academy/school

or academies/schools at the normal point of admission.

ii Coordination Admissions Scheme (CAS)

A scheme, determined by the local authority for ensuring that a single offer of a place is communicated to parent who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked-After Children or previously Looked-After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and the waiting list place amended as necessary.

v Specific Circumstances for Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In-Year Fair Access Policy.

Admission Arrangements for 2026/27 School Year

- 1 This is the admission arrangements for the 2026/27 school year for Hungerhill School.
- 2 The Admissions Authority for Brighter Futures Learning Partnership Schools is Brighter Futures Learning Partnership Trust who has determined all admissions will be co-ordinated through the local authority co-ordinated admissions arrangements. Following due consultation in accordance with the national Schools Admissions Code, Brighter Futures Learning Partnership Trust has agreed the following admissions policy for Hungerhill School for the academic year 2026-27. This policy will be reviewed and approved by the Trust every year.

General Statement

- 3 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, Hungerhill School becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its pyramid schools.

The pyramid of schools which form part of the pyramid provision are Barnby Dun Academy, Dunsville Primary, Kirk Sandall Junior, Edenthorpe Hall Primary and Canon Popham Primary Schools. Some of these schools also form part of our trust, Brighter Futures Learning Partnership Trust. The Trust members are Barnby Dun Primary Academy, Dunsville Primary, Kirk Sandall Infants, Kirk Sandall Junior and West Road Primary Academy.

The aims of the Trust are to increase the life chances of all young people in the community by working together to provide the best possible learning experiences for children and young people in the partner schools; to address barriers to learning of all kinds; to ensure children and young people in the community are fit and healthy.

It is important that the admission arrangements for Hungerhill School take into account the need to offer a place, as far as possible, to all children who attend one of our pyramid primary schools and where possible our Trust.

Admission Number

- 4 Years 7 and 8 have a year group PAN of **224** and at the end of year 8 there is a pathway for up to 30 students to study at Doncaster UTC.
- 5 Before making a final decision, the Trust considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 6 In the case of the year of entry, a child may not normally be refused admission to Hungerhill School on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Formⁱ (CAF) under a Coordinated Admission Schemeⁱⁱ (CAS).

Expressing A Preference - Year of Entry

- 7 Applications for admission to a schools year of entry should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

- 8 The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.

Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion f) being the final tie breaker.

a) Looked After Children or Previously Looked After Childrenⁱⁱⁱ

b) Catchment Area

Children who are ordinarily resident^{iv} in the catchment area of Hungerhill School.

For applications for the year of entry received by the closing date for late applications, a catchment area school will be determined in relation to the address at which the student is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Pyramid Partner Schools

Children attending one of Hungerhill's family pyramid of schools (Barnby Dun Academy, Dunsville Primary, Kirk Sandall Junior, Edenthorpe Hall Primary and Canon Popham Primary Schools) for more than one academic year, and who have, on the closing date for late applications, attended one of these schools continuously for more than one year.

d) Trust Schools

Children attending one of Hungerhill's trust schools (Barnby Dun Primary Academy, Dunsville Primary, Kirk Sandall Infant, Kirk Sandall Junior and West Road Primary Academy) who have, on the closing date for late applications, attended one of these schools continuously for more than one academic year.

e) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding sixth form), at the point of admission. Where there are twins/children of multiple birth to be admitted to a school in the same year group. If there are insufficient places available for all siblings, and one can be allocated a place, the admission number will be exceeded to allow them to be placed in the same school

f) Proximity

Children who live nearest to the requested school measured in a straight line from the point of the front entrance of the student's place of ordinary residence, to the entrance nearest to the reception of Hungerhill School.

If two or more students live equidistant from the school, the distance each student lives by road from the preferred school will be measured and the place offered to the student who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

The Offer of a Place At The School

- 10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

- 11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

- 12 Students will be added to the waiting list(s) of schools where they were refused a place and those schools were ranked higher on the CAF than the

place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.

- 13 Places will only be allocated from the waiting list when the number of students falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that the LA receive written confirmation of the vacancy.

In Year Transfers

- 14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the Authority's Common Application Form for In-Year Admission.
- 15 Where there are sufficient places an application will normally be agreed unless specific circumstances apply^v.
- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the Headteacher will, within two weeks of receiving confirmation from the LA of an offer of a place, determine a start date.
- 19 Students are normally admitted to a school at the start of the next new term other than with the prior approval of the Headteacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 20 Students are required to start at the school within two weeks of the start date offered and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 22 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, students may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

- 23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.
- 24 Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the notification that the application was unsuccessful by requesting emailing the following information to admissionappeals@doncaster.gov.uk
- Childs Name
 - Childs Date of Birth
 - School you wish to appeal for

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Explanatory Notes

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked After Children or Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

v Specific Circumstances For Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, and this has been agreed by the Authority's School Improvement Review Group.

Admission Arrangements for Outwood Academy, Adwick and Outwood Academy, Danum 2026/2027 School Year

1. Outwood Grange Academies Trusts the Admission Authority for Outwood academies. The admission number for the academies for years 7 to 11 has been determined for 2026/27 as:

Outwood Academy Adwick 210

Outwood Academy Danum 240

General Statement

2. In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, each school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Published Admission Number

3. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them.

4. Before making a final decision, the Trust consults schools on the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.

5. A child will normally be eligible to a place unless the number of applications for admission exceeds the admission number or they are offered a school which is ranked higher on an Application Form (AF) or Transfer Form (TF) under a Co-ordinated Admission Scheme (CAS).

Expressing A Preference

6. Applications for admission should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

7. The closing date for receipt of preferences for the year of entry is 31 October 2025. Late applications for the year of entry are processed after those received by the closing date.

Announcement Date for Parental Preferences

8. For those applications received by the closing date noted in 7 above, emails and letters will be sent to parents on 2 March 2026.

Admission Policy 2026/2027

Eligibility For A Place At A School - Oversubscription Criteria

9. This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the Published Admission Number.

After the admission of pupils with an Education, Health and Care Plan naming the school, preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criteria is applied in order of priority as tie breakers, with criterion e) being the final tie breaker.

a) Looked After Children and all previously Looked After Children

b) Catchment Area

Children who are ordinarily resident in the catchment area of the preferred school.

(Details of Catchment Areas are available from the LA at

www.doncaster.gov.uk/admissions) For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the closing date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address. For other admissions the applicable date is the date of application.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant school, attendance at a linked junior school will be included.

d) Link Schools

Children attending a school which is a linked pyramid school and who have on the closing date for applications, attended that school continuously for more than one calendar year.

e) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the reception point' will refer to the site the pupil attends for the purpose of morning registration.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation. Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

Where a place is only available in any of the above criterion for one child from a multiple birth i.e. twins, each child will be offered a place.

The Offer Of A Place At A School

10. Decisions will be sent to parents in accordance with the Authority's CAS. i.e. for those received by the closing date the national announcement date is 2 March 2026

Waiting Lists

11. For the year of entry, pupils will be added to the waiting list(s) of schools where they are refused a place and those schools were ranked higher on the AF than the place offered. Late applications will continue to be added to a list in criteria order. A change of address can affect a pupil's position on the waiting list. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term i.e. 31 December 2026.

12. Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that the LA receive written confirmation of the vacancy.

In Year Transfers

13. Applications for in year transfers are considered in accordance with the LA's CAS.

14. Applications should be made on the LA's TF and submitted to the LA for consideration.

15. A pupil will be deemed eligible for admission if there are sufficient places (see point 21, regarding repeat applications) unless specific circumstances apply. However, a pupil will not be eligible for a place if the circumstances of the year group have changed since it

was the year of entry and admission of an additional child would 'prejudice the provision of efficient education or the efficient use of resources'.

16. Where multiple applications are received for the same year group and there are insufficient places for all applicants, eligibility for admission will be considered in accordance with the admission criteria set out above.

17. Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.

18. If a place is offered, the headteacher will, within two weeks of receiving confirmation from the LA of an offer of a place, determine a start date.

19. Pupils are normally admitted to a school at the start of the next new term other than:-
a. where the Headteacher in consultation with the LA considers that the pupil should be admitted earlier in the circumstances of the case, or;
b. where the previous school is not accessible with reasonable facility e.g. due to a move into Doncaster or the pupil would otherwise be expected to travel longer than 45 minutes to school by public transport, or;
c. the pupil is not on the roll of a school.

20. Pupils are required to start at the school within two weeks of the start date offered by the headteacher and places are not normally held open beyond this period. Applicants must be in a position to take up a place within this stated period.

21. Repeat applications made for the same year group during the same academic year will not be considered unless there has been significant and material change to either the families or the schools circumstances, since a previous application and this is relevant to the application for admission. Where information was known at the time of the original application or appeal or parents chose not to disclose information, this will not be considered as additional information or a change in circumstances.

22. In accordance with DfE requirements pupils may be admitted under the Fair Access Protocol outside of the normal admission arrangements noted above.

Allocation Of Places

23. If an application from a Doncaster resident is refused and the pupil does not currently have a place in a Doncaster school, a place will be offered at an alternative school in accordance with the LA's CAS.

Independent Appeals

24. If a place is not offered at a preferred school parents have the right to appeal to an Independent Appeal Panel. Details of the appeals procedure will be sent to parents with their decision.

25. Parents who intend to make an appeal should normally submit a notice of appeal within 20 school days of receiving the refusal letter to: Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU

Explanatory Notes

Application Form (AF)

This is a form used in the admission process on which parents express preferences for a school or schools for the year of entry.

Transfer Form (TF)

This is a form used in the admission process on which parents express preferences to transfer a school or schools.

Co-ordination/Co-ordinated Schemes (CAS)

All local authorities are required to co-ordinate the admission arrangements for residents within their area whereby parents will submit an AF or TF to their home LA who will then ensure, as far as is possible, that a single offer of a place is sent to parents.

Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Ordinarily Resident/Residence

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. An address will only be considered when they are living there. This includes updating the position on a waiting list.

Intake Primary	Plover Primary

Specific Circumstances For Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code or as part of the Local Authority's In Year Fair Access Policy.

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Admission of Service Personnel and Crown Servants

To support the Armed Forces Community Covenant, applications for service personnel and crown servants moving to Doncaster will be considered one term in advance of a change of address in accordance with the guidance from the DfE providing that the application is accompanied by an official letter that declares a relocation date and a Unit

postal address or quartering area address. Provision is also made within the Fair Access Protocol to allow for the admission of specified groups of children into schools above the admission number including children of service personnel and crown servants, travellers, Gypsy or Roma children. Full details are identified in the Protocol.

Further Information

Further, more detailed information about the admission process is available from the LA and can be found in the Admission To Primary School Booklet, available as follows:

1. Context

1.1 Ridgewood School is part of Leger Education Trust (the Trust). The Trust administers admissions in line with legal requirements of the National Code of Admissions and acting upon where appropriate advice and guidance from the Admissions forum and the DfE. Parents will apply for places as part of the Doncaster Local Authority process. We will work in partnership with Doncaster Local Authority to ensure student places are given fairly, in line with the published admissions criteria, which will conform with the National Code of Practice on Admissions.

1.2 This policy should be read in conjunction with the Admission Arrangements at DMBC, and the LET Admissions Appeals Policy: <https://www.doncaster.gov.uk/services/schools/admission-arrangements>

1.3 Parents will apply for places to Ridgewood School as part of the Doncaster Local Authority process. Ridgewood School will work in partnership with Doncaster Local Authority to ensure student places are given fairly, in line with the published admissions criteria, which will conform with the National Code of Practice on Admissions.

1.4 Ridgewood School serves a local community, usually referred to as the 'catchment area'. This policy reflects the Academy Trust's commitment to providing places where possible to students who live in our catchment area as defined by our pyramid schools.

1.5 Sixth Form student places will be available through application to Ridgewood School as part of Leger Trust's Post 16 provision. This can be accessed through the Ridgewood School Sixth Form applications page; Ridgewood School - Applications

1.6 See Sixth Form for more details on applying for a Sixth Form place.

2. Making an Application

2.1 Applications to the school are made online by following the link below to the Doncaster secondary admissions webpage; Secondary admissions - Doncaster Council

2.2 The national closing date for secondary school applications for the offer year 2026/27 is 31 October 2025, with 2 March 2026 being the national offer day for secondary school places.

2.3 Please contact the school directly if further guidance or support is needed.

3. Admission Number

3.1 The school must have an admission number for each 'relevant age group', defined in law as 'an age group in which students are or will normally be admitted to the school in question'. This number is derived from a capacity assessment of the school, taking into account factors such as the school site and buildings and ensuring an acceptable amount of space for each student.

3.2 Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Each school year, the school consults with the Local Authority and has set an admission number of 240.

4. Parental Preference

4.1 The Common Application Form (CAF) provides the opportunity for parents/guardians to express up to three choices of schools in rank order of preference. The closing dates for receipt of preferences for the year of entry are in accordance with the Local Authority's CAS. Late applications are processed in accordance with the relevant CAS.

5. Eligibility for Admission – Oversubscription Criteria

5.1 Where the number of applications exceeds the number of available places the following criteria will be applied (in order of priority). Each of the remaining criterion are subsequently applied in order of priority as tie breakers, with the criterion e being the final breaker.:

- Looked After Children or Previously Looked-After Children
- The children of parents who are ordinarily resident in the catchment area of Ridgewood School
- Siblings
- Children not resident in the formal catchment area but have attended a current Pyramid School for the full academic year prior to admission
- Other children whose nearest school is Ridgewood School.

5.2 Please note, where a child with a statement of special educational needs (SEN) or Education, Health and Care plan (EHC) names the school, a place will be offered.

6. Independent Appeals

6.1 If a place is not offered at Ridgewood School parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Appeal forms should be requested as per the instructions on your decision letter i.e., all appeals should be made in writing by completing the appropriate online form provided by the Admissions Team at DMBC. To request an appeal form for a Doncaster school email admissionappeals@doncaster.gov.uk with the following:

- Child's Name
- Child's Date of Birth
- School you wish to appeal for

Alternatively, please leave the above details along with your home address on the DMBC Admissions voicemail service – 01302 737274.

6.2 A guidance document and a link to an online appeal form will be emailed to you with a form for you to complete and submit.

6.3 Please see DMBC Appeals Guidance for further information: [Admission appeals - City of Doncaster Council](#)

7. Waiting list

7.1 Students will be added to the waiting list of Ridgewood School if they were refused admission. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.

7.2 Places will only be allocated from the waiting list when the number of students falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that the vacancy arises.

8. In Year Transfers

8.1 Applications for in year transfers are considered in accordance with the LA's school admissions arrangements.

8.2 Applications should be made on the LA's school transfer form and submitted to the LA for consideration.

8.3 A student will be deemed eligible for a school place if there are sufficient places unless specific circumstances apply.

8.4 Where multiple applications are received for the same year group and there are insufficient places available, eligibility for admission will be considered in accordance with the admission criteria set out in Section 5.

8.5 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.

8.6 If a place is offered, the Headteacher will, within two weeks of receiving confirmation from the LA of an offer of a place, determine a start date, however usually start dates will be at the beginning of a term.

8.7 Students are normally admitted to the school at the start of the next new term other than with the prior approval of the Headteacher or in circumstances beyond the parent's control, e.g., movement into the borough.

8.8 Students are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.

8.9 Repeat applications made for entry to the same year group at the school will not be considered, unless there has been a significant and material change to either the families or the school's circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

8.10 In accordance with DfE requirements students may be admitted under the Fair Access Protocol outside of the normal admission arrangements noted above.

9. False Information

9.1 Any place offered on the basis of a fraudulent or intentionally misleading information will be withdrawn, for example giving a false address. Where a place or an offer has been withdrawn, the application will be re-considered and a right of independent appeal offered if the place is refused.

10. Multiple Addresses

10.1 Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Appendix A – Explanation of Terms

Catchment Area

The associated catchment area is defined by the Ridgewood Pyramid of schools (Barnburgh Primary, Copley Junior, Richmond Hill Academy, Rosedale Primary, Scawsby Saltersgate Junior)

Common Application Form (CAF)

The Common Application Form is the form parents fill in to apply for a place at Secondary School which is submitted to the Local Authority.

Co-ordination/Co-ordinated Schemes (CAS)

The Local Authority will co-ordinate the admission arrangements for residents within their area whereby parents will submit a CAF or TF (Common Transfer Form) to their home Local Authority who will then ensure, as far as is possible, that a single offer of a place is sent to parents.

Looked After Children or Previously Looked After Children

Children who are in the care of a local authority as defined by Section 22 of the Children Act 1989 at the time of application. Previously looked after children are children who were looked after, or ceased to be so because they were adopted (Section 46 of the Adoption and Children's Act 1989) or became subject to a residence order (Section 8 of Children Act 1989) or special guardianship order (Section 14a of the Children Act 1989).

Offer Year

The school year immediately preceding the school year in which students are to be admitted to schools under the admission arrangements in question. This is the school year in which the offers of school places are communicated.

Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

Siblings

Children who are living within the same family unit (e.g. stepchildren) who are attending the requested school, (excluding sixth form), at the point of admission. Where there are insufficient places in the appropriate year group to enable all siblings from a family unit to be admitted, including twins, triplets, etc, priority for available places will be given in order of birth, eldest first.

Tie Breaker

Distance from Ridgewood School will operate as the final tie break should Ridgewood School be oversubscribed from any of its designated priorities as follows:

Children who live nearest to Ridgewood School measured in a straight line from the point of the front entrance of the student's place of ordinary residence, to the entrance nearest to the main entrance of Ridgewood School.

If two or more students live equidistant from the school, the distance each student lives by road will be measured and the place offered to the student who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation. Measurements will be made using ONE provided by Capita Education Services and/or ArcView GIS provided by Environmental Systems Research Institute Inc or suitable substitute.

Admissions Policy 2026-27

Introduction

The Rossington All Saints Academy, is situated in the Diocese of Sheffield and is sponsored by the Delta Academies Trust in partnership with the Diocese of Sheffield and Doncaster Local Authority.

The academy provides a distinctively Christian education for children aged 11 to 16 years and primarily serves the catchment area of the Rossington pyramid primary schools which corresponds to the ecclesiastical parishes of St Michael's Rossington and St Luke's New Rossington.

Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus the majority of Sheffield Diocesan schools were established to provide education for the children of the parish within a Christian context. The two aims of being 'distinctively Christian' and 'serving the local community' are reflected in the academy's admission criteria.

Rossington All Saints Academy is a Delta Academies Trust in which the Governing Body is the Admission Authority and responsible for admissions.

This policy should be read in conjunction with the rest of the Admissions booklet.

The admission number for 2026-2027 is **180** and children will be admitted during the Autumn term prior to their 12th birthday.

Please contact the academy if you need help in completing the Common Application Form or Supplementary Information Form.

Making an Application

Applications are made online.

To support your application to The Rossington All Saints Academy, you may need to complete the Supplementary Information Form. This is not an application form for admission to academy but will be used by the academy when applying the admissions criteria.

The online form should be submitted by 31 October. The Supplementary Information Form (if applicable) should be sent directly to the school.

Criteria For Admission

Children who have an Education Health and Care Plan and the academy is named as the most appropriate education setting for the child will be admitted.

1. Looked after Children or all Previously Looked After Children
2. The children of parents/carers who are resident within the catchment area of the Rossington pyramid primary school which corresponds to the ecclesiastical parishes of St Michael's Rossington and St Luke's New Rossington.

 - j. Parents/carers who wish their child to attend this Church of England Aided Academy.
4. All other Children.

Tie Breaker

Should the admission number be reached mid-category, applications in that category will be prioritised on the shortest distance measured in a straight line from the front door of the child's home address (including flats) to the main entrance of the academy, using the Local Authority's computerised measuring system, with those living closer to the academy receiving higher priority.

In the event of two or more children living equidistant from the academy, the place will be decided by drawing lots. The first name drawn will be offered the place.

Definitions

Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Definition 3 - Regular Church Attendance

Regular attendance by parents/carers is defined as attendance at a Church of England church or another Christian denomination participating in 'Churches Together in England' for at least once a month over the last 12 months.

Waiting List

Names of children will automatically be placed on the waiting list for this academy when the child has been refused admission.

A vacancy only arises when the number of offers to the academy fall below the admission number. The waiting list will be established on the offer day.

The waiting list is determined according to the Governing Body's priority of admission over-subscription criteria.

Following the offer day, should an application be received for the academy where the pupil has a higher priority, as determined by the admissions criteria for a place at the academy, they will be placed on the list, above those with a lower priority.

The waiting list will be held until the end of the autumn term in the year of entry.

Admissions Arrangements for Entry to School in Year 7 in 2026/27

Name of School: Sir Thomas Wharton Academy

THIS POLICY AIMS TO:

- Explain how to apply for a place at the school
- Set out the school's arrangements for allocating places to the students who apply
- Explain how to appeal against a decision not to offer your child a place

LEGISLATION AND STATUTORY REQUIREMENTS:

An overview of the legal requirements around Admission to Secondary School is provided on the Academy website for additional information for parents/carers.

This policy is based on the following statutory guidance from the Department for Education (DfE):

- School Admissions Code
- School Admission Appeals Code

As an Academy, the school is required by its funding agreement to comply with these codes, and with the law relating to admissions as set out in the School Standards and Framework Act 1998. This policy complies with our funding agreement and articles of association.

INTRODUCTION

As the school is an academy status school, the **Maltby Learning Trust** is the Admissions Authority and has the responsibility to set admissions arrangements for the school in compliance with the School Admissions Code 2021.

The below sets out the admissions arrangements for entry to Year 7 in September 2026 and includes the oversubscription criteria that will be applied in the event that there are more applications than places available.

Where the published admission number for the school is likely to be reached mid category, places will be prioritised within that category by reference to the distance between the home address and the school. Highest priority will be given to those who, on 31st October 2025, live closest to the school measured in a straight line on a horizontal plane (commonly known as a measurement, "as the crow flies"). Distance measurements are calculated (by the Local Authority Admissions Team) using a Geographical Information System which applies seed points as determined by Ordnance Survey. Measurements are taken from the seed point of the ordinary place of residence to the seed point of the school. Where the school has more than one seed point, the seed point closest to the geographical centre of the school site is used.

Where places are being allocated based on the distance criteria or as part of the distance tie breaker, and there are insufficient places within the admission number for two (or more) children living in the same building (e.g. flats) or otherwise equidistant from the school, then any final place will be allocated by the simple drawing of lots by a representative of the Local Authority independent of the School Admissions Team.

Where applications are received for twins, triplets, siblings born in the same academic year etc these will be treated equally as there is nothing within the admission criteria to distinguish between them.

Places will be allocated in accordance with the LA's co-ordinated admissions schemes for Secondary schools. In assessing preferences, the LA will operate an 'equal preference' system, which means that no priority will be given according to the ranking of the preference, except where a

potential offer can be made in respect of more than one school. In that situation, the final offer of a place will be made at the highest preferred school as named on the application form of the potential offer schools.

Children issued with an Education and Health Care Plan will gain a place at the school named in the plan as part of that process.

CATCHMENT AREA

Information on the catchment area for the school can be obtained by contacting the School Organisation Team on (01709) 254831 or on the Local Authority website at:

[School catchment areas - City of Doncaster Council](#)

For our schools catchment areas list of streets – Please see the school website 'Admissions' section for the most up to date list of streets that make up our catchment area.

APPLICATIONS

Parents/carers should submit their secondary school application by the National closing date of **31st October 2025** to ensure their application is considered as an on time application in the first round of school offers.

[School admissions - City of Doncaster Council](#)

The Published Admission Number (PAN) for entry to Year 7 for the 2026/27 Academic Year is:

Sir Thomas Wharton Academy 210

In the event that there are more applications than places available, the following oversubscription criteria will be applied:

Admissions Criteria

A) Children with Special Educational Needs:

A small number of children will have an Education Health Care Plan that names the school and these children must be admitted to the school if named as part of that process.

The majority of children with special educational needs will not require an Education Health Care Plan. Applications for children who have special educational needs but no Education Health Care Plan, will be considered on the basis of the Admission Authority's published admissions criteria.

B) For all other applications places will be allocated in the following order of priority:

1. Looked After Children and previously Looked After Children (see note (a) below for the full definition).

2. Children who, on 31st October 2025, live in the catchment area of the school as defined by the Admission Authority and it is expected will have an older brother or sister on the roll of this school in Years 8-11 at the start of the academic year 2025 (see notes (b), (c) and (d) below)
3. Children who, on 31st October 2025, live in the catchment area of this school as defined by the Admission Authority (see note (b) below)
4. Children who, on 31st October 2025, it is expected will have an older sibling on the roll of this school in Years 8-11 at the start of the academic year 2026 (see notes (c) and (d) below)
5. Children who, on 31st October 2025, are on the roll of one of our associated primary/ junior/junior and infant catchment area schools (feeder schools) as identified by the Admissions Authority. (see note (f) below)
6. Children who, on 31st October 2025, live nearest to the school measured by a straight line on a horizontal plane, (commonly known as a measurement "as the crow flies").

Please Note:

In the event of over-subscription (the PAN being reached) within any criterion, preference will be given to children who live nearest to the school 'as the crow flies'.

Distance measurements are calculated (by the Local Authority Admissions Team) using GIS which applies seed points as determined by Ordnance Survey. Measurements are taken from the seed point of the ordinary place of residence to the seed point of the school. Where the school has more than one seed point, the seed point closest to the geographical centre of the school site is used. In the event of two distances being equal, lots will be drawn by a representative independent of the admission authority.

NOTES

- a) A 'relevant Looked After Child' is a child that is looked after by a Local Authority in accordance with Section 22 of the Children Act 1989 at the time an application for admission to a school is made, and who the local authority has confirmed will still be looked after at the time when he/she is admitted to the school.

Previously Looked After Children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). All references to previously looked after children in the Code mean such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

- b) Places will be allocated based on your residential address on 31st October 2025. Therefore, you must notify the Local Authority Admissions Team in writing if you change address before this date. You may be asked to provide proof of residence (e.g. utility/council tax bill). Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residency at the property concerned. The School / Trust / Local Authority reserves the right to request an affidavit where there is uncertainty regarding a child's ordinary place of residence.

- c) For a child to be considered a sibling, one of the following conditions must exist: (you may be asked to provide proof e.g., Birth Certificate and proof of residence)
- Brother/sister to be permanently resident at the same address.
 - Stepbrother/stepsister to be permanently resident at the same address.
 - Half-brother/half-sister to be permanently resident at the same address.
 - Brother/sister who do not live at the same residence but, who share the same parents.
 - Child of the parent/carer's partner to be permanently resident at the same address.
 - Adopted brother/sister permanently resident at the same address.
 - Foster brother/sister resident at the same address
- d) Children with an older sibling on the roll of the school who will be in **Years 8-11** for the commencement of the 2026/27 academic year and are on the roll of the school on 31st October 2025.
- e) Children of UK service personnel (UK Armed Forces) – For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. This must include accepting a Unit postal address or quartering area address for a service child. Admission authorities must not refuse a service child a place because the family does not currently live in the area, or reserve blocks of places for these children.
- f) **The Associated Primary (Feeder) Schools are:**

STWA: Edlington Victoria, Warmsworth Primary, Hill Top, Wadworth Primary, Tickhill Estfeld, Tickhill St. Mary's C of E

WAITING LISTS

On the National Offer Day of 1st March 2026 (or first working day after where the 1st falls on a weekend), the Local Authority Admissions Team will establish a waiting list for secondary schools in Rotherham where the number of applications for those schools has exceeded the available places in Year 7.

The Local Authority Admissions Team will administer the waiting list on behalf of this school which will operate until the 31st December 2026 when it will cease.

The child's name will automatically be put on the waiting list for a school where they have not been made an offer of a place and where that school is named as a higher preference than the school at which an offer has been made.

Children's positions on the waiting list will be determined solely in accordance with the oversubscription criteria, with no reference to the date of receipt of the application. The waiting list will be re-ordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list. Should a place become available it will be allocated to the child whose name is at the top of the waiting list on the day that the Local Authority receives written confirmation of the vacancy.

IN-YEAR ADMISSIONS – TRANSFERRING SCHOOL DURING THE SCHOOL YEAR

Any application for an in-year school transfer should be made via the Local Authority Admissions Team in the first instance. The Local Authority will co-ordinate in-year transfers for most of the schools in Doncaster. Further information and the relevant application form is available on the Authority website:

A paper copy of the application form can be requested from the Admissions Team:

Email: admissions@doncaster.gov.uk

If you are moving homes, please apply in advance of your move to reduce the risk of your child being out of school while your application is processed. You will need to provide details of your new address and when you intend to move.

You are advised to discuss your transfer request with a member of staff at your child's present school.

The Local Authority Admissions Team will record all in-year transfer applications and will forward your application via secure email for consideration by the relevant Admissions Authority.

- Applications received will be forwarded to preferred schools on the day of receipt where possible, or the following working (school) day.
- Applications received during a weekend or bank holiday or during school holidays will be forwarded to the preferred schools on the next working (school) day.

It is not possible to process any applications during school holidays and your application will be considered as soon as schools re-open. Schools are required to respond to in-year transfer requests within a **maximum of 15 school days** from receipt of the application therefore, although in-year applications may be forwarded to schools during school holiday periods, it is unlikely that you will be notified of the outcome of your application until schools re-open and the 15 school day response time commences.

In many cases a child will transfer to a new school only at the beginning of a new term, unless there is agreement by all concerned that the transfer should take place earlier. Until the transfer arrangements have been approved it is expected that your child will continue to attend their present school.

Parents can make applications up to one term before the date when they would like their child to start at the preferred school. Parents can apply from the 1st May onwards for Admission in the following September. Any application for admission in the following

September which is received prior to this date will be considered as having been received on 1st May.

You will be notified in writing of the outcome of your application. This decision will usually be sent on behalf of the Governing Body (as the Admissions Authority) by the Local Authority Admissions Team.

It should be noted that it is the Local Authority's policy that repeat applications made for entry to the same year group at the same school will not be considered unless there has been a significant and material change of circumstances which is relevant to the application for admission.

INFORMATION ON APPEALS

Where it is not possible to offer your child a place at the school you have applied for, you will receive a letter advising you of the reasons for this decision. This will usually be sent on behalf of the Governing Body / Trustees (as the Admissions Authority) by the Local Authority Admissions Team.

All parents/carers have the right of appeal to an independent appeal panel if you have received written confirmation that it has not been possible to offer your child a place at the schools you have applied for.

All independent appeals are organised by an Appeals Clerk and follow procedures, which are set out in legislation and the School Admission Appeals Code of Practice. The Appeals Clerk, Panel and process are independent of the Admissions Authority.

Important requirements to note are:

- Appeals must be in writing stating the grounds on which the appeal is made.
- Every parent/carer has the right to attend the independent appeal in order to make their case.
- Parents/carers can be accompanied by a friend or be represented by them.
- Independent appeals are heard in private.
- The decision of the Appeals Panel is binding on both parents and the Admissions Authority.
- Parents/carers will receive written notification of the Appeals Panel decision.
- Dates – (parents will be advised at the earliest opportunity of appeal dates by the Clerk)

GENERAL INFORMATION ON APPEALS

A separate document containing details of the appeals procedure is available from the Local Authority to parents whose applications could not be satisfied.

Any member of the Authority may attend, as an observer, any hearing by an Independent Appeal Panel established by the Authority.

Parents/carers will be given at least 14 days written notice of the date, time and place of the appeal hearing and will receive prior to the appeal, written documentation summarising the reasons for refusing the admission.

If a parent/carer does not attend the appeal or is not represented by another person the hearing may be held and the case dealt with in the absence of the parent using only the written documentation submitted.

In some cases, parents/carers who are not successful at the appeal occasionally consider applying again for the same school in the same academic year. Unless there has been a significant and material change of circumstances which is relevant to the application for admission, the Authority is not required to reconsider its decision and therefore parents do not have the right of another appeal.

Further information is available on the Local Authority website.

Admission Arrangements 2026/2027 School Year

The Hayfield School delegates admissions administration to the Local Authority (LA). Neither the Headteacher nor their representatives are able to determine eligibility for places.

1 General Statement

In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

2 Admission Number

A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Each school year, The Hayfield School consults with the LA and has set a Pupil Admission Number (PAN) which is currently **240**.

Before making a final decision, The Hayfield School considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.

A child will normally be eligible to a place unless the number of applications for admission exceeds the PAN or they are offered a school which is ranked higher on an Common Application Form (CAF) or Common Transfer Form (CTF) under a Coordinated Admission Scheme (CAS).

3 Expressing a Preference

Applications for admission should be made in accordance with the relevant CAS. Parents/Carers can express up to three choices of schools in rank order of preference. It should be noted that the Local Authority as the delegated Admission Authority for The Hayfield School will consider all preferences equally.

4 Closing Date For Receipt Of Parental Preferences

The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.

Late applications for the year of entry are processed in accordance with the relevant CAS.

5 Eligibility For A Place At School - Oversubscription Criteria

This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

In accordance with legislation the allocation of places for children with Education, Health and Care Plan (Children and Families Act 2014), naming the school will take place first. We will then allocate remaining places in accordance with this policy.

Preferences for each school will be sorted in the order of the criteria outlined below. Each of the remaining criteria are applied in order of priority as tie breakers, with criterion f) being the final tie breaker.

a) Looked After Children or all Previously Looked After Children

b) Catchment Area

Children who are ordinarily resident within the formal catchment area of the preferred school. (Details of Catchment Areas are available from the LA.)

For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the date set in the relevant co-ordinated admission scheme. Once a waiting list is formed, a child's place on that list will be updated in light of any new address. The child needs to reside at the address which is on the application form by the closing date of 31 October.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, at the point of admission.

Where there are insufficient places in the appropriate year group to enable all siblings from a family unit to be admitted, including twins, triplets, etc, priority for available places will be given in order of birth, eldest first.

d) Children of Staff:

- Where the member of staff has been employed at the school for two or more years at the time at which the application for admissions to the school is made, or
- The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

e) Pyramid Schools

Children not resident in the formal catchment but who attend a school which is a linked pyramid school and who have, on the closing date for applications, attended that school continuously for more than one calendar year.

f) Proximity

Children who live nearest to the requested school measured in a straight line from the midpoint of the pupil's place of ordinary residence, to the entrance nearest to the reception point of the school building.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by random allocation.

In the case where parents have shared responsibility for a child following the breakdown of their relationship and the child lives for part of the week with each parent, the measurements will consider both places of residence.

Measurements will be made using a computerised programme.

7 The Offer Of A Place At A School

Decisions will be sent to parents in accordance with the Authority's CAS.

8 Unsuccessful Applications

Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal. Please see the LA website for more details.

9 Waiting Lists

Pupils will be added to the waiting list where they are refused a place and the school was ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in the criteria order given above by the local authority.

Places will only be allocated from the waiting list when the number of pupils falls below the pupil Admission Number (PAN) of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list.

10 In Year Transfers

A parent can apply for a place for their child at any school, at any time. Applications for admissions outside of the normal admission round (In-year Transfers) may be considered by each individual school. They should be made on the official application form and will be managed by the Local Authority admissions scheme. Information on how in-year applications can be made are available on the City of Doncaster Council website.

A pupil will be deemed eligible for a school place if there are sufficient places unless specific circumstances apply.

Where multiple applications are received for the same year group and there are insufficient places available, eligibility for admission will be considered in accordance with the admission criteria set out in Section 9.

Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.

If a place is offered, the school will, within two weeks of receiving confirmation from the LA of an offer of a place, determine a start date.

In accordance with DfE (Department for Education) requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Pupils are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.

Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been a significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

In accordance with DfE requirements pupils may be admitted under the In-Year Fair Access Protocol (IYFAP) outside of the normal admission arrangements noted above.

11 Allocation Of Places

If, following the consideration of an application from a Doncaster resident, an application is refused and the pupil does not currently have a place in a Doncaster school, a place will be offered at an alternative school in accordance with the LA's CAS.

12 Independent Appeals

If a place is not offered at the school, parents (on behalf of the pupil) have the right to appeal to an Independent Appeal Panel. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 10 days of receiving the refusal letter to: Litigation and Education Section, Directorate of Resources, City of Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU.

13 General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the school of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

More detailed information about the admission process is available in the Admission To School Booklets, from the local authority.

14 Explanatory Notes

a) Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools for the year of entry.

b) Common Transfer Form (CTF)

This is a form used in the admission process on which parents express preferences to transfer a school or schools.

c) Coordination/Coordinated Schemes (CAS)

All local authorities are required to co-ordinate the admission arrangements for residents within their area whereby parents will submit a CAF or CTF to their home LA who will then ensure, as far as is possible, that a single offer of a place is sent to parents.

d) Looked After Children or all Previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

e) Ordinarily Resident/Residence

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. The ordinary residence should be the address on the AF on the date of application, which subsequent decisions will be based upon. This will only be considered when they are living at their new address and waiting list place amended as necessary.

f) List of Pyramid Schools

The formal catchment area of the school which is defined as the existing collective LA catchment areas of the Pyramid schools (Auckley Junior and Infant; Bawtry Mayflower Primary; St. Oswald's Church of England Academy Finningley; Hayfield Lane Primary; and Branton St Wilfrid's Church of England Primary) and includes: Bawtry, Austerfield, Finningley, Blaxton, Auckley, Branton and Old Cantley.

g) Specific Circumstances For Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code or as part of the Local Authority's In Year Fair Access Policy.

THE McAULEY CATHOLIC HIGH SCHOOL ADMISSION POLICY 2026-27

THE McAULEY CATHOLIC HIGH SCHOOL was founded to provide education for children of Catholic families. Whenever there are more applications than places available, priority will always be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and articles of association and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The governing body has set its admission number at **240** pupils to year 7 in the school year which begins in September 2026.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

At any time where there are more applications for places than the number of places available, places will be offered according to the following order of priority: Note – in every category siblings are given higher priority

1. Catholic looked after and previously looked after children. (notes 2&3)
2. Catholic children who attend a feeder Catholic primary school, namely, Our Lady's, Armthorpe • St Francis Xavier, Balby • Our Lady's, Bentley • St. Peter's, Doncaster • St. Mary's, Edlington • St. Patrick's, Harworth • St. Joseph's, Retford • St. Joseph's, Rossington • Holy Family, Stainforth • Our Lady of Mount Carmel, Wheatley Hills • St Joseph's & St Theresa's, Woodlands
3. Other Catholic children (i.e. those attending non-Catholic Schools or Catholic Schools in another area).
4. Other looked after and previously looked after children. (note 2)
5. Catechumens and members of an Eastern Christian Church. (notes 5&6)
6. Children of other Christian denominations and children of other faiths whose membership is evidenced by a minister of religion or other religious leader. (see notes 7&8)
7. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the application will be placed at the top of the category in which the application is made.
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above.
- (iii) Children who attend a Feeder Catholic primary school at the time of application will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) and (ii) above”

Tie Break

Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the reception point' will refer to the site the pupil attends for the purpose of morning registration.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation. Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round¹, you **must** complete a Common Application Form [(excluding admission to year 12)]² available from the local authority in which you live. You are also requested to complete the Supplementary Information Form attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 5 or 6. The Supplementary Information Form should be returned to The McAuley Catholic High School c/o Admissions Clerk by December 31st.

You will be advised of the outcome of your application on 1st March or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 3 or 5 or 6, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 31st October 2025.

Late Applications³

Late applications will be administered in accordance with your home Local Authority Secondary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Outside their Normal Age Group

A request may be made for a child to be admitted outside their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to The Admissions Clerk, [McAuley Catholic High School, Cantley Lane, Doncaster, DN3 3QF](#)) at the same time as the admission application is made. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made to the school directly.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power even where admitting the child would mean exceeding the published admission number.

The governing body reserves the right to withdraw the offer of a place or, where the child is already attending the school the place itself, where it is satisfied that the offer or the place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014. Specifying the special educational provision required for a child.

2. Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.

4. For the purposes of this admission policy, attendance at a feeder primary school includes those Catholics who were prevented from attending a feeder school due to oversubscription of Catholics and whose application to attend was unsuccessful, normally evidenced by a letter of rejection from the feeder primary school.
5. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
6. 'Eastern Christian Church' includes Orthodox Churches and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
7. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and

with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

8. “children of other faiths” means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ at 7 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a Supreme Being and an expression of belief in that Supreme Being through worship.

9. ‘brother or sister’ includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent’s partner where that child for whom the school place is sought lives for at least part of the week in the same family unit at the same address as the applicant.

10. A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

11. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the governing body will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.

Appeals

Appeals against the Governing Body’s decision to refuse an admission If a place is not available, parents have the right of appeal. An Independent appeals Panel formed in accordance with the DFE Admission Appeal Code will hear such appeals against non-admission. Details of the appeals process will be made available to all unsuccessful applicants. Normally, appeal hearings will be held within 30 school days of the appeal being lodged. If a place is not available parents will be informed within one week of their right to appeal.

ADMISSIONS & APPEALS POLICY

Admission arrangements approved by Secretary of State

1. The admission arrangements for Trinity Academy for the year 2026-2027 and, subject to any changes approved by the Secretary of State, for subsequent years are:
 - a) The Academy has an agreed admission number of **232** students in Year 7 and 224 students in Years 8-11, and 350 students in Years 12 and 13 combined. Trinity Academy will accordingly admit at least the agreed number of students in the relevant age group each year if sufficient applications are received.
 - b) The Academy may set a higher admission number than its published admission for any specific year. Before setting an admission number higher than its agreed admission number, the Academy will consult Doncaster LA, other relevant admission authorities and governing bodies. Students will not be admitted above the published admission number unless exceptional circumstances apply, and such circumstances shall be reported to the Secretary of State.
 - c) The Academy will exercise no selection policy based on academic ability or aptitude for the specialism.
2. Trinity Academy will use the following timetable for applications each year (exact dates within months may vary from year to year):
 - a) September: The Academy will publish in its prospectus information about the arrangements for admission the following September, including over subscription criteria, (e.g. in September 2025 for intake September 2026). This will include details of open evenings and other opportunities for prospective students and their parents to visit the Academy. It will notify the date by which the Doncaster Common Application Form (CAF) must be returned to the LA. Trinity Academy will also provide information to the LEA for inclusion in the composite prospectus, as required.
 - b) September: The Academy will hold its open evening for Year 6.
 - c) 31st October: Closing date for application forms (Common Application Form to be received by Doncaster LA and Trinity Application Form).
 - d) December to February: Applications are considered in consultation with Doncaster LEA and any other admissions authorities in relation to general strategic planning for admissions.
 - e) 1st March: Offers of places notified in writing to parents.
 - f) May to June: Independent appeals.

This timetable seeks to harmonise arrangements with those of the Doncaster LA and as developed within the Admission Forum for Doncaster. In this way, it is intended to secure a coordinated approach to admission for parents and students.

Consideration of applications

1. Trinity Academy will consider all applications for places where fewer than 232 applications are received. The Academy will offer places to all those who have applied.
2. Notwithstanding clause 1 above, Trinity Academy may refuse admission to applicants in cases where fewer than the published admission number have applied. In line with 3.8 of the Schools Admissions Code - These are applicants who have been permanently excluded from two or more schools and the

ability to refuse admissions runs for a period of two years from the last exclusion. Exclusions which took place before the child concerned reach compulsory school age do not count for this purpose. Academies may also refuse admission to students (other than in the normal year of entry) in the specific and limited circumstances described in paragraph 3.10 of the School Admissions Code. In all the circumstances described in this paragraph, however, the Secretary of State may direct Trinity Academy to admit such a student and that direction shall be binding.

Procedures where the Academy is oversubscribed

1. Where the number of applications for admission is greater than the published admissions number, applications will be considered against the criteria set out below. The criteria will be applied in the order in which they are set out:
 1. Looked after children - A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).
 2. Those students permanently resident in the Academy catchment area who express a preference (see catchment area). Where a child lives at more than one address, the main address will be deemed to be that of the parent receiving the Child Benefit payment.
 3. Children with a sibling attending the school at the time of application - Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.
 4. Distance from the Academy - priority for admission is given to children who live nearest to the school as measured by using Ordnance Survey data to plot an address in this system. Distances are measured as the crow flies from the main entrance of the child's home to the main entrance of the school as specified by the local authority's GIS.
2. Notwithstanding the provisions of paragraphs 1, the Secretary of State may direct Trinity Academy to admit a named student on application from a Local Authority. The Secretary of State shall in such circumstances consult with Trinity Academy before making such a direction and have regard to its comments.

Catchment area

The Academy catchment area will include the following primary schools:

- Thorne Brooke Primary
- Thorne Green Top Primary
- Thorne King Edward Primary
- Thorne Moorends Marshland Primary
- Thorne Moorends West Road Primary

Detailed listings of the streets within the catchment area are available in the event of difficulty in defining eligibility. Should you require further details, please contact Doncaster Council.

The catchment area for post-16 students has been extended to students who live within a reasonable daily travelling distance from the Academy.

Operation of waiting lists

1. Where in any year Trinity Academy receives more applications for places than there are places available, a waiting list will operate. This will be maintained by the Academy, and it will be open to any parent to ask for his or her child's name to be placed on the waiting list.
2. A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria found in Paragraph 1 of the **Procedures where the Academy is oversubscribed section above**. Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria.
3. Children applying to go into other year groups will be admitted if there are places available. Parents refused a place in other year groups, including Sixth Form, also have a statutory right of appeal.

Arrangements for the admissions appeal panel

Parents will have the right of appeal to an independent Admissions Appeal Panel if they are dissatisfied with an admission decision of Trinity Academy. The panel set up by the Local Authority Admissions team in accordance with the relevant Admission Appeal Code for such appeals will hear all the cases submitted in writing by parents to the Local Authority. Any such appeal will be processed in accordance with the requirements of the same code.

Arrangements for admission to post-16 provision - where appropriate

Admissions to Sixth Form will be made based on students meeting the academic requirements set down from time to time in relation to precise course selections. External students will be admitted to the Sixth Form. The academic requirements for individual courses will be set out in the published admissions arrangements each year.

Year 11 students in the Academy will be interviewed regarding their intentions for a possible Sixth Form place during Year 11. Formal application and registration will follow the publication of examination results in the summer. External applicants will be able to visit the academy and apply by arrangement.

Policy and procedure for selection to Sixth Form (Years 12-13)

Policy

1. There is no catchment area/admission zone restriction, but the Academy must be satisfied that any daily travel distance is reasonable and does not mitigate against full participation in Academy life and studies.
2. Applicants' performance at GCSE or equivalent will be used to assess suitability for their choice of Sixth Form course.
3. The DfE has determined that funding for entry into Year 12 is limited to 220 students (subject by annual review) and preference will always be given to students who have completed their Year 11 in Trinity Academy.
4. The Principal, must be satisfied that each successful applicant is sufficiently motivated to succeed within the ethos of the Academy. This determination must also be reflected in the support demonstrated by his/her parents(s) or guardian(s) to each and all these factors.

5. Those refused a place have a statutory right of appeal.

Procedure

Internal applicants will give early indication of their desire to enter the Sixth Form in Year 11. External applicants are also invited to apply, usually in Year 11, but can only be offered places conditional upon spaces being available after existing students have been catered for. Confirmation of acceptance will only be made, therefore, once GCSE results are known and existing students' applications have been processed.

A variety of information events will be held during the year, including a Year 11 to Year 12 pathways evening for Trinity students and informal visits at other times can be arranged by appointment. There will also be an open evening for students coming from outside the Academy, (date to be announced). The academic requirements for individual courses will be set out in the published admissions arrangements each year and these details will be made available for those wishing to consider a place in Year 12 (September 2026) during the academic year 2026-2027

Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Admission arrangements

XP East for the **2026/27** school year

Introductory statement

XP East is a secondary mainstream 11-19 academy in Lakeside, Doncaster, and is a member of [XP SCHOOL TRUST](#).

The school offers an academically rigorous curriculum with deep, visceral learning experiences. There is a relentless focus on quality of work and character growth. As a result, our school culture is value-driven where students, staff and parents are expected to be courageous, respectful, committed to craftsmanship and quality, compassionate and to always show integrity. We provide an authentically tough and rewarding education for everyone.

Our class sizes are the **specific size of 25** to enable us to deliver our unique curriculum based on Expeditionary Learning practices including pastoral 'crews' of 12 or 13 students. The specific size of our school is published on our website, our admissions policy and is widely publicised in marketing literature issued by the school. Our class sizes and crews are deliberately sized to ensure that we are able to deliver our highly personalised curriculum and assessment strategies.

We hold high expectations for all our stakeholders. Students are expected to be on a pathway to be able to go to university if they so wish, staff pursue a high level of continual professional development, and parents are expected to attend and be involved in Celebrations of Learning, Student-led Conferences and Passage Presentations.

The school acts fully in accordance with the School Admissions Code, the School Admissions Appeals Code and admissions law as they apply to academies.

Published Admission number (PAN)

The school has an admission number of **50** for **Year 7**. It will admit this number of pupils if there are sufficient applications. If fewer than **50** applications are received, all applicants will be offered a place.

Application process

The school is part of the local authority's co-ordinated arrangements. This requires parents to complete a common application form (CAF) which is provided by the local authority in which the applicant lives.

Full details of the application process are available in the local authority Secondary Admissions Booklet.

Inaccurate or false information on the form could result in the place being withdrawn.

We engage with the local authority's Fair Access Protocol.

Application process for places in the sixth form

The admissions authority will process applications for the sixth form. The application form can be obtained from www.xptrust.org. Dates for application and results are published on the website.

Fair Banding Assessment

Children who wish to apply for a place at the school **must** take a fair banding assessment to be considered for admission.

Banding will be applied to all applicants including looked after children, previously looked after children and children with an Education, Health and Care plan. All children with an Education, Health and Care plan that names the school will be admitted.

The Fair Banding Assessment is a cognitive ability, multiple choice assessment. **There is no pass or fail mark.**

Details of when banding assessments will take place will be published on our website. Applicants will be placed in one of **5** bands based on their assessment score. The children with the highest score will be placed in band **1** and the children with the lowest score will be placed in band **5** and so on.

The bands will correspond with **the local ability range in Doncaster.**

The school will apply the oversubscription criteria to determine which applicants to admit from each band. Applicants who did not take the fair banding assessment will be considered **after** other applicants. If the school is undersubscribed all applicants will be admitted.

We will place pupils into 5 bands so that each band represents the local ability range in our catchment area. Children whose assessment scores are in the top 20% of the local ability range would be placed into Band 1, then the following bands would be filled in the same way. The academy trust will apply the oversubscription criteria to admit 10 pupils from each band to reach our admission number of 50.

Oversubscription criteria

The academy trust will admit any pupil with an Education, Health and Care plan which names the school. Priority will then be given to children who meet the criteria set out below, in order.

1. Looked after children and previously looked after children
2. **5** places (**10%** of our PAN of **50**) will be allocated to children who have demonstrated an aptitude in **Visual Arts**. Parents should indicate on the application form that they wish their child to be considered for one of these places. Dates for the aptitude tests will be published on the school website and parents will be informed of the result of the test before the closing date for applications which will be published on the school website. Details of the test are set out at the end of this policy.
3. Siblings of pupils attending the school at the time the application is received.
4. Children of staff who have been recruited to fill a skill shortage
5. Children living within the designated catchment area of the school identified by random allocation.
6. Children living outside the designated catchment area of the school identified by random allocation.

Tie-break

If a tie-break is necessary, random allocation will be used to determine which child will be offered a place. The admissions authority will conduct the random allocation.

Arrangements for admission to the sixth form

There are no academic entry criteria for the sixth form. Students without at least a GCSE grade 4 in English and Maths will be required to continue studying those subjects until they achieve at least a grade 4 in each. The academy trust will apply the oversubscription criteria to determine who is admitted.

Where there are more students who meet the above criteria than there are places available, the academy trust will apply the oversubscription criteria to determine who is admitted.

Admission of children outside their normal age group

Parents may request their child is admitted outside their normal age group. Parents who wish to do so should include a request with their application, specifying the year group to which they wish their child to be admitted and why they believe it would be in their best interests. The academy trust will make a decision on the basis of the circumstances of the case and in the child's best interests, taking into account the views of the headteacher and any information provided by the parent.

Waiting list

The academy trust will maintain a waiting list for Year 7 until the eligible timespan of the school placement. It is open to any parent to ask for their child's name to be placed on the waiting list. The child will be placed in the appropriate band on the waiting list. In-year applicants will take a fair banding assessment when they apply and be placed in the appropriate band on the waiting list.

Where a place becomes available, it will be allocated to a child from the appropriate band. For example, if a child from band 2 leaves the school, the oversubscription criteria will be applied to band 2 on the waiting list to determine which child will be offered a place. The only exception will be where there is a looked after or previously looked after child on the waiting list. They will be given highest priority for admission without reference to the bands.

Appeals

Applicants who are refused a place at the school will be able to appeal to an independent appeal panel. Contact the admissions authority through www.xptrust.org within 20 school days from the date of notification that their application was unsuccessful, for information on how to appeal. The appeals timetable is on www.xptrust.org.

Aptitude Test

The aptitude test will be clear, objective, and give an accurate reflection of the child's ability or aptitude, irrespective of sex, race, or disability. It is for the admission authority to decide the content of the test, providing that the test is a true test of aptitude or ability.

The admission authority will ensure that tests for aptitude are designed to test only for aptitude in the subject concerned, and not for ability. They will also ensure that tests are accessible to children with special educational needs and disabilities, having regard to the reasonable adjustments for disabled pupils required under equalities legislation

They will take all reasonable steps to inform parents of the outcome of aptitude tests before the closing date for secondary applications on 31 October so as to allow parents time to make an informed choice of school - while making clear that this does not equate to a guarantee of a place.

The aptitude test will be clear, objective, and give an accurate reflection of the child's ability or aptitude, irrespective of sex, race, or disability. It is for the admission authority to decide the content of the test, providing that the test is a true test of aptitude or ability.

The admission authority will ensure that tests for aptitude are designed to test only for aptitude in the subject concerned, and not for ability. They will also ensure that tests are accessible to children with special educational needs and disabilities, having regard to the reasonable adjustments for disabled pupils required under equalities legislation

They will take all reasonable steps to inform parents of the outcome of aptitude tests before the closing date for secondary applications on 31 October so as to allow parents time to make an informed choice of school - while making clear that this does not equate to a guarantee of a place.
