## Sheep Dip Lane

EYFS, Phonics, KS1,  
MTC and KS2 results

2025

Data updated: 8 July 2025

BUY DONCASTER

## **General notes on the data**

This report uses the data that was available on 8 July 2025.

Figures for the school, LA and national may differ from the final data published by DfE and in ASP.

In KS2, the cohort figures shown in the table correspond to pupils recorded with an assessment. The numbers eligible for the average score and progress measures may be different, and will be reflected in the labels on the charts.

In KS1 and KS2, for ease of reading all pre-key-stage standards are combined into a single grade of PKS. The full breakdown showing each standard individually is available through Perspective under LA Reports.

Pupils' attendance is calculated across the key stage, up to Easter in the year of assessment. No national benchmarks are available for outcomes by attendance band.

## **Changes in the 2025 report**

There are no changes for 2025, but please note the following points from 2024:

Phonics no longer includes an "End of Year 2" cohort, as this relied on the KS1 submission to determine the pupil list, which is no longer part of the national dataset.

National and LA figures for KS1 and MTC are provided by NCER based on schools and LAs that have participated in crowdsourcing data, and may not be representative of the total picture.

Transition and progress data is not available for KS2, as there were no formal KS1 assessments in 2021.

## **Notes on reading the graphs**

A speckled grey bar running the full height of the chart indicates that there are no pupils in that group.

A blank column therefore indicates that no pupils achieved the benchmark.

(This does not apply to charts showing trends)

Charts with blue bars show average marks.

Charts with green bars show where pupils have met a specified threshold (and those with orange and red bars show where pupils have not met the threshold).

A grey diamond marker indicates the national average for that group to achieve the pass mark or the expected standard and, where relevant, a small black mark indicates the national average for a high score/GDS. On multi-coloured charts, this corresponds with the top of the green bar(s).

Because there is no pass mark for MTC, scores are grouped into bands, and a diamond marker is shown for the national average for each band.

Charts with spotted shading show pupils' transition from the previous phase or key stage.

For KS1, this shows pupils' EYFS outcomes in reading, writing, number and SS&M and outcomes in Y1 phonics.
