

# Little Lambs Learning Hub

## Welcome to Little Lambs Learning Hub

We have lots of staff in the Little Lambs Learning Hub to help you with your learning. Mrs Spiers and Mrs Parkhurst are your class teachers. We also have Mrs Cosa, Miss Jones, Miss Dunn and Miss Hutchinson who also support us in class throughout the week.

## Our environment:

In the Little Lambs Learning Hub we have lots of engaging environments for children to explore and investigate. Some areas include; a sand area, water play area, sensory dens, construction, maths, painting and many more!

## Home and school collaboration.

You will be invited to have meetings with our class teachers to update you on your child's progress. We will also feedback progress everyday when you collect your child. This will enable you to continue support at home to meet their small step targets.

## Tapestry

Tapestry is our online journal where you can see what your child has been learning each week. Staff working in the Little Lambs Learning Hub will upload photos of your children during their learning time.

We will also use tapestry to upload home learning, letters and key dates. Please remember to check it regularly for events and information.
