

# Sheep Dip's Super 70!

At Sheep Dip Primary Academy, we believe our job is to nurture our pupils to become thoughtful citizens. It is about providing our children with a plethora of rich experiences through trips and workshops, themed activities and visitors. It is about affecting the way our pupils see the world and develop life experiences.

Motivated by our desire to provide children with richness of experiences beyond the classroom we have created a list of 60 things to do before leaving Sheep Dip Lane Academy. The aim of this is to ensure that our pupils have the childhood experiences that all young people deserve. Each experience has been woven into the curriculum to ensure that every single pupil completes all 60 things by the time they leave us at the end of their primary education. Some of them, many many times over.
