

# Reading Ambassador Update

## Ideas to take forward:

1. **To develop the Learning with Parents online system.** Children would like a notification pop up to inform them when reaching targets eg 50/100/150 reads so they can visit the bookshop.
2. Social reading in the outside huts- allow all children across phases to share social time together.
3. Fun challenges to be set by ambassadors such as reading in strange places termly and to give rewards when achieved.
4. Reading buddies to be chosen- two from each class plus reading ambassadors . Team classes up to buddy read – possible times eg golden time or dinner break- twice a week .

## Class link ideas.

- Class 5/6 with Class 4
