Welcome to Foundation Stage 1

Welcome to Nursery!

We have lots of staff in FS to help you with your learning. Miss Stocks is your class teacher. We also have Miss Clayton and Miss Buck who also supports us in class throughout the week

Love of Reading & Learning Through Play

We do not send home reading books in Nursery. Instead, we develop a love of books through daily stories, songs, nursery rhymes, storytelling and early phonics activities.

You can support your child at home by sharing favourite stories, talking about pictures, singing rhymes and enjoying conversations together.

Our Topics

Autumn 1 – My Favourite Colours

Autumn 2 – Special Times & Nursery Rhymes

Spring 1 – Traditional Tales

Spring 2 – Wonders of Water

Summer 1 – Ready, Steady, Grow

Summer 2 – Creepy Crawly

Tapestry

Tapestry is our online learning journal, where we share photographs and observations of the exciting things your child has been learning.

We also use Tapestry to share important notices, letters and key dates. Please check it regularly and feel free to share your child's achievements from home.

Welly Wednesdays

Our Nursery children enjoy outdoor learning and exploration during Welly Wednesdays. Please make sure your child has suitable outdoor clothing and wellies when needed.
